M/s. Siri Tecon is an assessee on the rolls of this office.

The registration of the assessee was proposed to be cancelled for the following reasons:-

No monthly returns have been filed since September 2012. The penalty notice issued in the business address was returned 'unclaimed'.

The proposal was sent in the residential address of the partners to the firm, as available from the records in this office, but was returned by the postal authorities.

Upon enquiry it was known that no business is functioning in the principal place.

All these forms goods and sufficient reasons for cancellation of Registration Certificate under section 16(10) of the KVAT Act 2003 & Rule 17(18) of the KVAT Rules 2005.

In the above circumstances the following orders are issued.
