3. Notice No. CT/7771/2021-G4 dated 28.01.2025 of the Additional Commissioner

The revised final Seniority List of Senior clerks appointed for the period from 01.01.2018 to 31.12.2019 was revised as per order read as first paper above.

The department assigned seniority to the Typists or Confidential Assistants who received By-Transfer/Conversion by placing them in every sixth position in the order of occurrence of vacancies. As a result, in the seniority list from earlier periods, every sixth position was occupied by a converted CA/Typist, and their seniority date was the date the vacancies occurred. The Accountant General, in the third referred letter, has pointed out that, U D Typists, who were converted to senior clerks have been placed erroneously (on a previous date of their conversion) in the seniority list of senior clerks contrary to the extant provisions. Hence the Accountant General (Audit -II) team has directed to re-fix seniority according to the date of order of their appointment, as laid down in Rule 27 of KS&SSR 1958.

Accordingly, a Notice read as fourth paper above was issued to all offices inviting objections if any, against the proposal for revision of the Revised Final Seniority List of Senior clerks appointed for the period from 01.01.2018 to 31.12.2019. Many objections were received regarding the seniority assigned to the UD Typist stating that there is no need to re-assign their position in the current seniority list since the directions contained the Government Order, GO (MS) No. 301/68/PD dated 26.09.1968 for assigning seniority are totally related to LD Typists and not applicable to UD Typists and its higher grades. Their objections have been considered with merit and rejected accordingly with the strength of the rule positions.

In the circumstances, the relevant rule positions given below, Government orders, and other criteria to be followed while determining the seniority of Senior Clerks.

Rule 23(c) (KSR Part 1): promotions which do not involve a change of duties shall have effect from the date of the vacancy which occasions the promotion.

Rule 28(bb) of KS&SSR 1958 Promotion which depends upon the passing of any examination - Promotion in a service or class which depends upon the passing of any examination (General or Departmental) shall ordinarily be made with reference to the conditions existing at the time of occurrence of the vacancies and not with reference to those at the time when the question of promotions is taken up.

As per GO (MS) 301/68/PD dated. 26.09.1968, the following conditions will be observed in implementing the orders-

(i) The seniority of the Typists-Stenographers who got appointed as Clerks/ Assistants will be fixed with reference to the date of order of their appointment as Clerks/Assistants as laid down in Rule 27 of the Kerala General Rules,

(ii) An Upper Division Typist / Stenographer will not be eligible for appointment as Upper Division Clerk / Assistant Grade I unless he has put in as much services as the senior most Lower Division Clerk awaiting promotion.

The preparation of Seniority list is not entirely based on the order of seniority in the promotion orders, but strictly based on factors such as seniority position in the feeder category, departmental test eligibility, date of occurrence of vacancy, date of order of conversion etc. This seniority list is revised and seniority is re-determined based on the above rules.

Until the date of conversion, the converted employees continued in their original feeder cadre, enjoying all associated rights and benefits including grade promotion of that cadre. Once they enter a new cadre, all previous rights in the feeder cadre are relinquished, and they become part of the new cadre (Senior Clerk) with its rights and benefits. In this situation, the general rule, Rule 28bb of KS & SSRs is relevant. This principle is also supported by Rule 23c of KSR. Therefore, the combined reading of the above General rules (Rule 27 & 28bb of KS & SSRs and Rule 23c of KSR) and the GO (MS) No. 301/68/PD dated 26.09.1968 together escalate the position that the date for assigning seniority for a by- transfer appointee/converted employee to a new post having different work nature is the date of order of appointment/conversion to that service.

When a promotion or By-Transfer occurs to a post that belongs to a new cadre having a different work nature, the date of the conversion order is the eligible date for assigning seniority, as per General Rule 27 of KS & SSRs. Therefore, the position of some CAs/Typists who were placed higher in the current seniority list may be moved lower, while others may be moved up, due to the shift in the 'with effect' date of seniority from the date of occurrence of vacancies to the date of the conversion order. This change will apply when re-determining the seniority position of the converted Typist or CA in the seniority list as per the new date. The new date is assigned because, in the case of conversion or By-Transfer, employees are transitioning from the

Typist/CA cadre to the Senior Clerk cadre, which involves a fundamental change in the nature and scope of the work within the cadres.

Therefore, when conversion is effected to Typists to Senior Clerk post, whether Lower Division Typists / UD Typists, the date that should be taken into consideration for assigning seniority is the date of order of their conversion instead of date of occurrence of vacancies. Otherwise, if seniority is determined based on the date of occurrence of vacancies of the post to which conversion proposed (here Senior Clerk post), it would result in the converted Typists / CAs losing all the rights and benefits they had enjoyed in their original post of Typist / CA during the intervening period between the vacancy date and their conversion order date.

When placing employees from different feeder categories in the revised seniority list as per the above illustrated method, Clerks will be assigned seniority based on the date of occurrence of vacancy in the Senior Clerk post, whereas Typists / CAs who received conversion will be assigned seniority based on the date of their conversion order. Since both dates must be considered for determining seniority, every sixth vacancy in each promotion/conversion order shall be earmarked to Typists / CAs who received conversion. However, the effective date for assigning seniority for these earmarked vacancies shall be the conversion order date instead of the vacancy occurrence date.

With the shifting of these dates, the seniority place of the converted Typist / CA in every sixth position in the current list will be changed in accordance with the date of order of their conversion in the revised list. Most probably, they will be placed together at the end behind the promoted Clerks in the same promotion order. Since seniority for Clerks is based on the vacancy date, there may be instances where Clerks promoted after the conversion order date of Typists / CAs may also be placed ahead of them in the list.

The following clerks who were included in the seniority list for the period from 01.01.2016 to 31.12.2017 are reassigned and included based on their eligibility date.
