1. INTRODUCTION

- The State Goods and Services Tax (SGST) Department is one of the major revenue-generating departments of the Government of Kerala and plays a vital role in strengthening the financial resources of the State. The revenue collected through various tax mechanisms administered by the Department constitutes a significant source of funds for the State Exchequer. These resources are instrumental in financing the Government's developmental and welfare-oriented initiatives, including infrastructure development, public services, social security measures, and various social welfare schemes aimed at improving the quality of life of the people of Kerala.
- The effective and efficient functioning of the GST Department is therefore essential for ensuring sustained revenue mobilization and maintaining the fiscal capacity of the State. The Department is committed to promoting tax

compliance, facilitating taxpayers, leveraging technology, and strengthening revenue administration to ensure that the legitimate tax revenue due to the Government is collected in a transparent, efficient, and taxpayer-friendly manner. The revenue generated through these efforts enables the Government to undertake essential developmental activities and implement welfare programs for the overall socio-economic progress of the State.
