GOODS AND SERVICES TAX

Goods & Service Tax (GST) is implemented in the country on 1st July 2017. GST is a destination based tax on consumption of goods and services. It is proposed to be levied at all stages right from manufacture up to final consumption with credit of taxes paid at previous stages available as setoff. Only value addition will be taxed and burden of tax is to be borne by the final customer.

The GST replaces the following taxes.

- (a) Taxes currently levied and collected by the center
 - (i) Central Excise duty
 - (ii) Duties of Excise (Medicinal and Toilet preparations)
 - (iii) Additional duties of Excise (goods of special importance)
 - (iv) Additional duties of Excise (Textiles and Textile products)
 - (v) Additional duties of Customs (Commonly known as CVD)
 - (vi) Special additional duties of Customs (SAD)
 - (vii) Service Tax
 - (viii) Central surcharges and Cesses so far as they related to supply of goods and services.
- (b) State taxes subsumed under the GST
 - (i) State VAT
 - (ii) Central Sales Tax
 - (iii) Luxury Tax
 - (iv) Entry Tax (all forms)
 - (v) Entertainment and Amusement Tax (Except when levied by the local bodies)
 - (vi) Taxes on Advertisement
 - (vii) Purchase Tax
 - (viii) Taxes on lotteries, betting and gambling
 - (ix) State surcharges and cesses so far as they relate to supply of goods and services.

Alcohol for human consumption is kept out of GST by way of definition of GST in Constitution. Five petroleum products viz. Petroleum crude, Motor spirit (petrol) high speed diesel, natural gas and aviation turbine fuel are temporarily been kept out and GST Council

shall decide the date from which they shall be included in GST. Further more electricity has been kept out of GST.

The loss of revenue on the implementation of GST shall be compensated by the Government of India for five years. The calculation of base year revenue (2015-16) is as follows.

The base year revenue for a State shall be the sum of the revenue collected by the State and the local bodies during the base year, on account of the taxes levied by the respective State or Union and net of refunds, with respect to the following taxes, imposed by the respective State or Union, which are subsumed into goods and services tax, namely

- (a) the value added tax, sales tax, purchase tax, tax collected on works contract, or any other tax levied by the concerned State under the erstwhile entry 54 of List-II (State List) of the Seventh Schedule to the Constitution; 74 of 1956.
- (b) the central sales tax levied under the Central Sales Tax Act, 1956;
- (c) the entry tax, octroi, local body tax or any other tax levied by the concerned State under the erstwhile entry 52 of List-II (State List) of the Seventh Schedule to the Constitution;
- (d) the taxes on luxuries, including taxes on entertainments, amusements, betting and gambling or any other tax levied by the concerned State under the erstwhile entry 62 of List-II (State List) of the Seventh Schedule to the constitution;
- (e) the taxes on advertisement or any other tax levied by the concerned State under the erstwhile entry 55 of List – (State List) of the Seventh Schedule to the Constitution.
- (f) the duties of excise on medicinal and toilet preparations levied by the Union but collected and retained by the concerned State Government under the erstwhile article 268 of the Constitution;
- (g) any cess or surcharge or fee leviable under entry 66 read with entries 52, 54, 55 and 62 of List-II of the Seventh Schedule to the Constitution by the State Government under any Act notified under sub-section (4), prior to the commencement of the provisions of the Constitution (One Hundred and First Amendment) Act, 2016:

Provided that the revenue collected during the base year in a State, net of refunds, under the following taxes shall not be included in the calculation of the base year revenue for that State, namely:—

- (a) any taxes levied under any Act enacted under the erstwhile entry 54 of List-II (State List) of the Seventh Schedule to the Constitution, prior to the coming into force of the provisions of the Constitution (One Hundred and First Amendment) Act, 2016, on the sale or purchase of petroleum crude, high speed diesel, motor spirit (commonly known as petrol), natural gas, aviation turbine fuel and alcoholic liquor for human consumption;

- (b) tax levied under the Central Sales Tax Act, 1956, on the sale or purchase of petroleum crude, high speed diesel, motor spirit (commonly known as petrol), natural gas, aviation turbine fuel and alcoholic liquor for human consumption;
- (c) any cess imposed by the State Government on the sale or purchase of petroleum crude, high speed diesel, motor spirit (commonly known as petrol), natural gas, aviation turbine fuel and alcoholic liquor for human consumption; and
- (d) the entertainment tax levied by the State but collected by local bodies, under any Act enacted under the erstwhile entry 62 of List-II (State List) of the Seventh Schedule to the Constitution, prior to coming into force of the provisions of the Constitution (One Hundred and First Amendment) Act, 2016.

Government of India as per Office Memorandum No. S.31011/03/2014-SO(ST) P1 dated 29.08.2017, had fixed Rs. 16821.37 crore as base year revenue.

The compensation payable to the State shall be provisionally calculated and released at the end of every two month period, and shall be finally calculated for every financial year after the receipt of final revenue figure, as audited by the Comptroller and Auditor General of India.

Provided that in case any excess amount has been released as compensation to the State in any Financial year as per the audited figure of the revenue collected the excess amount so released shall be adjusted against the compensation amount payable to such State in the subsequent financial year.

The GST Council conducted series of meetings and ensured smooth implementation of GST in the country. The department has taken adequate measures to educate VAT dealers to migrate well within time and build their capacities with respect to GST. 98% of VAT Dealers migrated to GST. Department has built capacities of officers, established GST Facilitation Centers at the district headquarters and State head quarters. These Centers facilitated GST roll out and trouble shooting in first few quarters. Dr Thomas Isaac Hon Finance Minister, Govt of Kerala has launched GST on 1st July 2017 in Ernakulam in a State function. Subsequently the department has been taking all efforts in the areas of capacity building, trouble shooting for the dealers facing any issue with GSTN or GST related issues of migration, return filing, refund etc. GST roll out was smooth in the State. As there are specific reports on GST, top line collection related information is included in this report. The Government has constituted State GST Facilitation Committee to understand the issues faced by the dealers and take up policy issues in GST Council. With such coordinated actions, the department is going ahead for consolidation of GST in the State.

6. DISPOSAL OF OR FILES

As in the case of crime files, top priority was given to OR files also. Consequent to the Adalat conducted by the Intelligence wing, by the end of the year a large number of OR files were received in almost all circle offices. This resulted in huge pendency in each office and special programs are planned to dispose OR files. ASTOs are allotted for scrutiny of OR files. They will also prepare draft notice and which will be subsequently approved by Assessing authority. 20779 OR files are pending for disposal. Disposed 12331 OR files, which comes about 59 %. At the end of the year 8448 OR files are pending for disposal.

7. ADDITIONAL DEMAND CREATED

Through monthly action plan, department ensured completion of assessments in a systematic manner. This resulted in creation of additional demand of Rs.2611.73 crore.

By effectively monitoring and with good follow up department was able to collect 385.39 crore from additional demand created. This comes to 15% of total additional demand created in the year. Efforts and action plan is formulated to improve this figure. Separate RR conference will examine such collectable potential cases and major cases will be included in the minutes of RR conference of Revenue Department.

III APPELLATE WING

ABOUT APPELLATE WING

Appellate wing deals with the follow up of disposal of First Appellate Authorities ie. Deputy Commissioner (Appeals) and Assistant Commissioner (Appeals). At present there are 28 appellate authorities comprising of 13 Deputy Commissioner (Appeals) and 15 Assistant Commissioner (Appeals). Appellate wing is monitoring the prompt dispatch of appellate orders by the Appellate authorities. On receipt of appellate orders from the appellate authorities' respective sections and the superintendent call for remarks from the Assessing Authorities, Deputy Commissioners and Law Officers concerned for filing second appeal before the tribunal or for taking the cases for suo moto revision by the Commissioner if any.

A monthly report of legal meetings conducted at district Deputy Commissioner's level of the respective nodal officers and assessing authorities concerned are also being followed up.

Total number of cases pending for disposal before the first appellate authorities as on 01-04-2017 is 26308 with an amount of Rs.191471.98 Lakhs.

The Work done by the Deputy Commissioner (Appeal) and Assistant Commissioner (Appeals) is given below.

V.ECONOMIC INTELLIGENCE WING

ECONOMIC INTELLIGENCE WING ACTIVITIES

The work done by the Economic Intelligence Wing during the year 2017-18 is detailed below.

(1) 'C' FORM VERIFICATION – ARECANUT

A special drive was conducted to find out bogus 'C' forms in respect of the commodity arecanut as directed by the Commissioner on 19th and 20th of May 2017 resulting in finding out 4408 suspected bogus 'C' forms out of the 8650 'C' forms gathered in the operation. Six teams were formed to verify bogus 'C' forms in the states of Delhi, Maharashtra, Rajasthan, Tamil Nadu and Uttar Pradesh (Two teams) where the turnover involved was very high. The rest of the 'C' forms were sent to the Commissioners of 17 other States for verification. The verification proved that 2172 'C' forms were bogus amounting to Rs.2185.81 crores in 15 States.

The bogus 'C' forms were forwarded to the concerned districts and assessing authorities has already assessed the cases at higher rates and the demand raised so far is Rs.74.4 crores. (District wise data attached)

Second Stage verification of 'C' and 'F' forms related to arecanut revealed 487 'C' and 'F' forms amounting to Rs.825.68 crores are suspected to be bogus. These are forwarded to 17 states for verification. A team is also proposed to visit Maharashtra for interstate verification.

(2) 'C' FORM VERIFICATION – OTHER COMMODITIES

During the year 2017-18 11355 suspected bogus 'C' forms were forwarded to 24 States for verification. 851 'C' forms were found to be bogus amounting to Rs.35.74 crores. This includes 'C' forms forwarded during the previous years also.

The bogus 'C' forms were forwarded to the concerned districts and assessing authorities has already assessed the cases at higher rates and the demand raised so far is Rs.12.9 crores.

(3) REIC CASES

A bimonthly REIC meeting conducted by the Director General (Investigation), Income Tax Department at Kochi where information is shared by various enforcement agencies for follow up action by various departments. 73 cases were forwarded to the Deputy Commissioner(Int.), Thiruvananthapuram, 106 cases were forwarded to the Deputy Commissioner(Int.), Ernakulam and 76 cases were forwarded to the Deputy Commissioner(Int.), Kozhikode for initiating action at field level.

(4) INTERSTATE STOCK TRANSFER TURNOVER SUPPRESSION

During the year 2017-18 the Wing has started verification of interstate stock transfer data. The Interstate Stock Transfer turnover is seen suppressed during verification in 13 districts. The total turnover suppressed comes to Rs.1491.08 crores. The data relating to suppression done by various dealers were forwarded to the concerned Deputy Commissioners for initiating action.

(5) LUXURY TAX

In the year 2017-18 the Wing has gathered data from Tour operators and providers regarding details of customers to whom accommodation has been provided within the state. The data relates to 2200 hotels and 118 house boats within the state were gathered. Preliminary verification of the obtained data points towards certain logical mismatch as to the total contribution of certain districts towards Luxury Tax Revenue. District Wise collection from Luxury Tax for the last 3 years is extracted as under.

District	2014-15 (In Crore)	2015-16 (In Crore)	2016-17 (In Crore)
TVM	49.44	46.96	52.88

EKM ,MTY	54.57	62.88	61.10
TCR	15.20	18.28	18.87
PGT	5.67	6.28	7.74
MPM	4.78	8.23	9.02
KKD	9.81	12.33	10.05
WYD	4.61	5.52	6.69
KNR	3.92	7.09	7.70
KSD	3.56	4.34	4.36
TOTAL	201.57	230.33	242.52

The above extracted figures show that the main contributors of Luxury Tax are Ernakulam and Thiruvananthapuram when compared to Idukki District which is only at 3rd place. But the

preliminary analysis of data shows that the consideration passed through the service providers in Idukki District is exorbitantly high than that of Ernakulam and Thiruvananthapuram. This points towards the requirement for in depth analysis and verification of data obtained from the service providers.

Hence, 20 cases were forwarded to Idukky, 22 cases each to Kollam and Pathanamthitta districts. Out of the 8 cases verified in Idukky, the turnover suppressed is Rs.14.32 crores and in one case in Kollam the suppression comes to Rs.2.54 crores.

(6) DATA GATHERED FROM OTHER DEPARTMENTS

Data have been collected from Fire and Rescue, Pollution Control Board, Town Planning Department, Electrical Inspectorate, Mining and Geology, KFC & KSIDC, Banks, health insurance companies and Food and Safety Department. The data so gathered were forwarded to the concerned Deputy Commissioners for initiating action at field level.

(7) INCOME TAX

In the year 2017-18, 81 cases were found out based on Income Tax extracts and the suppressed turnover found out amounts to Rs.13833.89 crores. The details were forwarded to the concerned Deputy Commissioners for initiating assessments in these cases. The actual demand raised in these cases can be arrived only after verification of accounts of the dealer. *(In some cases it is noticed that the Income Tax data includes the turnover of dealers all over India whereas the data can be verified only at the assessing officers level as the details will be available only in the books of accounts of the dealer.)*

VII THE SYNOPSIS OF STRATEGY AND ACTION PLAN FOR THE YEAR 2017-18

If one reads the annual reports in series, it can be noticed that the Department had followed up the strategy of taking initiatives, consolidation of various activities and later in the third year took efforts to lay a strong foundation of Goods & Services Tax. The department has taken actions to bring in transparency. Continuous efforts are taken to engage with all the stakeholders to generate awareness.

The Department has taken all efforts for the smooth transition from VAT regime to GST regime. As the GST related documents are done separately, all the micro detailing is not done in this Annual Report and only the basic indicator of collections during GST regime have been covered in this report. All details of VAT regime are covered.

1. SCRUTINY MODULE (ScM):

The best tax administration

The most important miles stone achieved during the year was developing the Scrutiny Module (ScM) for doing VAT Scrutiny. Out of our plethora of works, the most important work is scrutiny of the filed returns and later assessments, if there is short remittance of taxes. For scrutiny the officer have to go through multiple records and various data fields to do correlation. The process is very tedious and requires complete knowledge of laws and processes. Therefore, in order to bring in efficiency, an innovative SCRUTINY MODULE SOFTWARE is developed. This software is having algorithm as per the Laws and Rules. It is easy to operate. The way we do scrutiny, in the same flow the steps have been

structured in the module. The officer needs to do data feeding in the cases where the dealers have not submitted the statutory documents in the blank fields and automatically the calculations are done and the output i.e. Turnover calculation and Tax figures are received. The data feeding is to be done from the statutory documents by keeping the copy of the same in the Assessment file. Based on the output, wherever needed further hearing is to be conducted and assessment can be finalized by giving full opportunity to the Dealers. This is the way the scrutiny and assessments will be completed as per the law. Wherever the documents are already filed, the scrutiny is done, only thing remaining is to serve the notices and conduct hearing properly. Wherever there is an evidence, that is to be taken on record and give legitimate deductions and finalize the assessments.

In order to further facilitate this work, it was felt that the best practices in health sector and in defense sector to have Standard Operation Practices (SoP) to be introduced in the tax administration. With this thinking, the SoPs for the scrutiny were drafted and made available and the officers were trained in ScM.

We may recall the tedious nature of works contract scrutiny and assessment. In many cases it used to take months/ years to complete it. With the ScM in place, all these works will get completed systematically.

2. GST - QUARTERLY PROGRESS REPORT

The Department introduced and institutionalized publication of Quarterly Progress Report. The report gives all information of the Department's various activities and the data with respect to GST. The report also highlights the analytical part so as to enable the field officers to take up priority actions.

3. OTHER INITIATIVES

- Department continued effective awareness campaign by using electronic and social media.
- IT hard ware improvement such as Centralized UPS and LAN in Tax towers in the districts is getting commissioned and the proposal to do at other places is submitted.
- Procurement of desk top computer is being followed up

4. PUBLICATION:

- ANNUAL REPORT
- GST QPRs
- GST ACTS and RULES

- CONSTITUTIONAL AMENDMENT
- FAQs on GST
- CLARIFICATIONS 2017
- CIRCULAR 2017
- FIELD MIS
- HQ MIS

5. www.keralataxes.gov.in WEB PORTAL

During VAT regime the website was giving very basic information and was static. There was an urgent need to develop an interactive Web portal. Department has discussed with C-DIT and entrusted the works of web portal management and social media campaign to C-DIT. The web portal of the Department is developed from the users' perspective. It is having broad sections Tax payers services, Individuals, Business, Officials, GST Practitioner, Department information, Knowledge Center, contact us. Under all these sections extensive information is made available to all to generate awareness and also to facilitate tax administration. There are many utilities embedded in the web portal such as e office login, login in KVATIS, GST Information system etc. The portal gives access to all other important site of GSTN, GST Council etc. The portal is regularly updated giving all data and information. We welcome suggestions from people to improve the web portal.

We firmly believe by bringing in transparency in the tax administration and with involvement of people, who always pay the indirect taxes, will help in improving the tax collection in leaps and bounds.
