CIRCULAR NO.15/2013

Sub: KVAT Act 2003 – streamlining of goods movements of parcel / courier, clearing and transporting agencies – reg.

Read: Circular No. 33/2006 and 37/2006.

As per the Circulars read above instructions were issued to streamline the movement of goods by parcel / courier, clearing and transporting agencies by permitting entry and exit of vehicle by road with parcel/courier loads containing multi consignments only through the check posts namely - Amaravila, Aryankavu, Kumily, Walayar, Bangra Manjeswar, Muthunga, Kootupuzha and Vazhikadavu.

Consequent to the introduction of e-Consignment declaration, there is no rational in continuing the restrictions imposed on the transportation of goods by parcel / courier agencies through the listed check posts. In the circumstances, for the speedier clearance of goods vehicles and to avoid traffic congestion at the above check posts, the movement restrictions imposed as per the reference cited are withdrawn. Since e-Token data can be accessed only through online checkposts, the parcel / courier consignments are allowed to transport through any of the following online check posts.

Thiruvananthapuram	Amaravila, Kallikkad, Kanjampazhanji, Palakkadavu, Pirayinmoodu, Perumpazhuthur, Mandapathinkadavu, Uchakada
