

**FREQUENTLY ASKED  
QUESTIONS (FAQ) ON  
GST**

# Message

I am happy to note that the Commercial Taxes Department as a part of its outreach programme is bringing out a book to address frequently asked questions on GST based on the book published by Central Board of Excise and Customs, Govt. of India. The booklet, I am sure, will answer questions on GST to various stakeholders in the area of taxation like dealers, practitioners, officials and the public. With the impending implementation of GST, there is going to be a paradigm shift in the way how the taxes will be collected and remitted.

For bringing a comprehensive tax regime, it will require huge efforts of capacity building of all the stakeholders. Commercial Taxes Department plans to build partnership with all the stakeholders. Taxes department of Government of Kerala shall set in motion consultation with the trade and trade organizations, once the Model GST law is passed in the Parliament. It is envisaged that a few representatives from trade bodies shall be trained with respect to the GST Model Law and in turn they will take forward awareness building among their members. Similarly, GST Information System training will be given to representatives of Trade and cascading way training to the stakeholders shall be taken up by the respective Trade organizations. Commercial Taxes Department shall collaborate and facilitate the same.

Commercial Taxes Department shall take up all efforts to open up kiosks at all District Head Quarters, troubleshooting mechanism and mobile application to sort out related issues.

Other than trade, people at large need to be informed about the Goods and Services Tax, as they are the primary stakeholders. If the consumers are fully aware of GST it will promote true disclosures, there by improving tax administration by leaps and bounds.

I hope, this book will play a crucial role in disseminating information among various stake holders. In the previous regime transition, Kerala has shown the way in implementing VAT. Similarly I wish Kerala will be on forefront to implement GST. I wish all the success to this endeavour.

# OVERVIEW OF GOODS AND SERVICES TAX (GST)

# Overview of Goods and Services Tax (GST)

---

Q 1. What is Goods and Service Tax (GST)?

Ans. It is a destination based tax on consumption of goods and services. It is proposed to be levied at all stages right from manufacture up to final consumption with credit of taxes paid at previous stages available as setoff. In a nutshell, only value addition will be taxed and burden of tax is to be borne by the final consumer.

Q 2. What exactly is the concept of destination based tax on consumption?

Ans. The tax would accrue to the taxing authority which has jurisdiction over the place of consumption which is also termed as place of supply.

Q 3. Which of the existing taxes are proposed to be subsumed under GST?

Ans. The GST would replace the following taxes:

(i) taxes currently levied and collected by the Centre:

- a. Central Excise duty
  - b. Duties of Excise (Medicinal and Toilet Preparations)
  - c. Additional Duties of Excise (Goods of Special importance)
  - d. Additional Duties of Excise (Textiles and Textile Products)
  - e. Additional Duties of Customs (commonly known as CVD)
  - f. Special Additional Duty of Customs (SAD)
  - g. Service Tax
  - h. Central Surcharges and Cesses so far as they relate to supply of goods and services
- (ii) State taxes that would be subsumed under the GST are:
- a. State VAT
  - b. Central Sales Tax
  - c. Luxury Tax
  - d. Entry Tax (all forms)
  - e. Entertainment and Amusement Tax (except when levied by the local bodies)
  - f. Taxes on advertisements
  - g. Purchase Tax
  - h. Taxes on lotteries, betting and gambling
  - i. State Surcharges and Cesses so far as they relate to supply of goods and services

The GST Council shall make recommendations to the Union and States on the taxes, cesses and surcharges levied by the Centre, the States and the local bodies which may be subsumed in the GST.

Q 4. What principles were adopted for subsuming the above taxes under GST?

Ans. The various Central, State and Local levies were examined to identify their possibility of being subsumed under GST. While identifying, the following principles were kept in mind:

- (i) Taxes or levies to be subsumed should be primarily in the nature of indirect taxes, either on the supply of goods or on the supply of services.
- (ii) Taxes or levies to be subsumed should be part of the transaction chain which commences with import/ manufacture/ production of goods or provision of services at one end and the consumption of goods and services at the other.
- (iii) The subsumation should result in free flow of tax credit in intra and inter-State levels. The taxes, levies and fees that are not specifically related to supply of goods & services should not be subsumed under GST.
- (iv) Revenue fairness for both the Union and the States in dividually would need to be attempted.

Q 5. Which are the commodities proposed to be kept outside the purview of GST?

Ans. Alcohol for human consumption, Petroleum Products viz. petroleum crude, motor spirit (petrol), high speed diesel, natural gas and aviation turbine fuel& Electricity.

Q 6. What will be the status in respect of taxation of above commodities after introduction of GST?

Ans. The existing taxation system (VAT & Central Excise) will continue in respect of the above commodities.

Q 7. What will be status of Tobacco and Tobacco products under the GST regime?

Ans. Tobacco and tobacco products would be subject to GST

and a GST Compensation Cess. In addition, the Centre would have the power to levy Central Excise duty on these products.

Q 8. What type of GST is proposed to be implemented?

Ans. It would be a dual GST with the Centre and States simultaneously levying it on a common tax base. The GST to be levied by the Centre on intra-State supply of goods and / or services would be called the Central GST (CGST) and that to be levied by the States would be called the State GST (SGST). Similarly Integrated GST (IGST) will be levied and administered by Centre on every inter-state supply of goods and services.

Q 9. Why is Dual GST required?

Ans. India is a federal country where both the Centre and the States have been assigned the powers to levy and collect taxes through appropriate legislation. Both the levels of Government have distinct responsibilities to perform according to the division of powers prescribed in the Constitution for which they need to raise resources. A dual GST will, therefore, be in keeping with the Constitutional requirement of fiscal federalism.

Q 10. Which authority will levy and administer GST?

Ans. While CGST and IGST are acts of Parliament and SGST would be an Act of State Legislature administration of these taxes would be based on a cross empowerment model between the Centre and State administrations. The final call in this matter is yet to be taken by the GST Council.

Q 11. Why was the Constitution of India amended recently in the context of GST?

Ans. Currently, the fiscal powers between the Centre and the States are clearly demarcated in the Constitution with almost no overlap between the respective domains. The Centre has the powers to levy tax on the manufacture of

goods (except alcoholic liquor for human consumption, opium, narcotics etc.) while the States have the powers to levy tax on the sale of goods. In the case of inter-State sales, the Centre has the power to levy a tax (the Central Sales Tax) but, the tax is collected and retained entirely by the States. As for services, it is the Centre alone that is empowered to levy service tax.

Introduction of the GST required amendments in the Constitution so as to simultaneously empower the Centre and the States to levy and collect this tax. The Constitution of India has been amended by the Constitution (one hundred and first amendment) Act, 2016 recently for this purpose. Article 246A of the Constitution empowers the Centre and the States to levy and collect the GST.

Q 12. How a particular transaction of goods and services would be taxed simultaneously under Central GST (CGST) and State GST (SGST)?

Ans. The Central GST and the State GST would be levied simultaneously on every transaction of supply of goods and services except the exempted goods and services, goods which are outside the purview of GST and the transactions which are below the prescribed threshold limits. Further, both would be levied on the same price or value unlike State VAT which is levied on the value of the goods inclusive of CENVAT. While the location of the supplier and the recipient within the country is immaterial for the purpose of CGST, SGST would be chargeable only when the supplier and the recipient are both located within the State.

**Illustration I:** Suppose hypothetically that the rate of CGST is 10% and that of SGST is 10%. When a wholesale dealer of steel in Uttar Pradesh supplies steel bars and rods to a construction company which is also located within the same State for, say Rs. 100, the dealer would charge CGST of Rs. 10 and SGST of Rs. 10 in addition to the basic price of the goods. He would be required to de-

posit the CGST component into a Central Government account while the SGST portion into the account of the concerned State Government. Of course, he need not actually pay Rs. 20 (Rs.10 + Rs. 10) in cash as he would be entitled to set-off this liability against the CGST or SGST paid on his purchases (say, inputs). But for paying CGST he would be allowed to use only the credit of CGST paid on his purchases while for SGST he can utilize the credit of SGST alone. In other words, CGST credit cannot, in general, be used for payment of SGST. Nor can SGST credit be used for payment of CGST.

**Illustration II:** Suppose, again hypothetically, that the rate of CGST is 10% and that of SGST is 10%. When an advertising company located in Mumbai supplies advertising services to a company manufacturing soap also located within the State of Maharashtra for, let us say Rs. 100, the ad company would charge CGST of Rs. 10 as well as SGST of Rs. 10 to the basic value of the service. He would be required to deposit the CGST component into a Central Government account while the SGST portion into the account of the concerned State Government. Of course, he need not again actually pay Rs. 20 (Rs. 10+Rs. 10) in cash as it would be entitled to set-off this liability against the CGST or SGST paid on his purchase (say, of inputs such as stationery, office equipment, services of an artist etc). But for paying CGST he would be allowed to use only the credit of CGST paid on its purchase while for SGST he can utilise the credit of SGST alone. In other words, CGST credit cannot, in general, be used for payment of SGST. Nor can SGST credit be used for payment of CGST.

Q 13. What are the benefits which the Country will accrue from GST?

Ans. Introduction of GST would be a very significant step in the field of indirect tax reforms in India. By amalgamating a large number of Central and State taxes into a single tax and allowing set-off of prior-stage taxes, it would mitigate

the ill effects of cascading and pave the way for a common national market. For the consumers, the biggest gain would be in terms of a reduction in the overall tax burden on goods, which is currently estimated at 25%-30%. Introduction of GST would also make our products competitive in the domestic and international markets. Studies show that this would instantly spur economic growth. There may also be revenue gain for the Centre and the States due to widening of the tax base, increase in trade volumes and improved tax compliance. Last but not the least, this tax, because of its transparent character, would be easier to administer.

Q 14. What is IGST?

Ans. Under the GST regime, an Integrated GST (IGST) would be levied and collected by the Centre on inter-State supply of goods and services. Under Article 269A of the Constitution, the GST on supplies in the course of inter-State trade or commerce shall be levied and collected by the Government of India and such tax shall be apportioned between the Union and the States in the manner as may be provided by Parliament by law on the recommendations of the Goods and Services Tax Council.

Q 15. Who will decide rates for levy of GST?

Ans. The CGST and SGST would be levied at rates to be jointly decided by the Centre and States. The rates would be notified on the recommendations of the GST Council.

Q 16. What would be the role of GST Council?

Ans. A GST Council would be constituted comprising the Union Finance Minister (who will be the Chairman of the Council), the Minister of State (Revenue) and the State Finance/Taxation Ministers to make recommendations to the Union and the States on

- (i) The taxes, cesses and surcharges levied by the Centre, the States and the local bodies which may be subsumed under GST;

- (ii) the goods and services that may be subjected to or exempted from the GST;
- (iii) the date on which the GST shall be levied on petroleum crude, high speed diesel, motor spirit (commonly known as petrol), natural gas and aviation turbine fuel;
- (iv) model GST laws, principles of levy, apportionment of IGST and the principles that govern the place of supply;
- (v) the threshold limit of turnover below which the goods and services may be exempted from GST;
- (vi) the rates including floor rates with bands of GST;
- (vii) any special rate or rates for a specified period to raise additional resources during any natural calamity or disaster;
- (viii) special provision with respect to the North- East States, J&K, Himachal Pradesh and Uttarakhand; and
- (ix) any other matter relating to the GST, as the Council may decide.

Q 17. What is the guiding principle of GST Council?

Ans. The mechanism of GST Council would ensure harmonization on different aspects of GST between the Centre and the States as well as among States. It has been provided in the Constitution (one hundred and first amendment) Act, 2016 that the GST Council, in its discharge of various functions, shall be guided by the need for a harmonized structure of GST and for the development of a harmonized national market for goods and services.

Q 18. How will decisions be taken by GST Council?

Ans. The Constitution (one hundred and first amendment) Act, 2016 provides that every decision of the GST Council shall be taken at a meeting by a majority of not less than

3/4th of the weighted votes of the Members present and voting. The vote of the Central Government shall have a weightage of 1/3rd of the votes cast and the votes of all the State Governments taken together shall have a weightage of 2/3rd of the total votes cast in that meeting. One half of the total number of members of the GST Council shall constitute the quorum at its meetings. But, the amendment does not preclude GST Council to take decisions based on consensus.

Q 19. Who is liable to pay GST under the proposed GST regime?

Ans. Under the GST regime, tax is payable by the taxable person on the supply of goods and/or services. Liability to pay tax arises when the taxable person crosses the threshold exemption, i.e. Rs.20 lakhs (Rs. 10 lakhs for NE States) except in certain specified cases where the taxable person is liable to pay GST even though he has not crossed the threshold limit. The CGST / SGST is payable on all intra-State supply of goods and/or services and IGST is payable on all inter- State supply of goods and/or services. The CGST /SGST and IGST are payable at the rates specified in the Schedules to the respective Acts.

Q 20. What are the benefits available to small tax payers under the GST regime?

Ans. Tax payers with an aggregate turnover in a financial year up to [Rs.20 lakhs] would be exempt from tax.

[Aggregate turnover shall include the aggregate value of all taxable and non-taxable supplies, exempt supplies and exports of goods and/or services and exclude taxes viz. GST.] Aggregate turnover shall be computed on all India basis. For NE States and Sikkim, the exemption threshold shall be [Rs. 10 lakhs]. All taxpayers eligible for threshold exemption will have the option of paying tax with input tax credit (ITC) benefits. Tax payers making inter-State supplies or paying tax on reverse charge basis shall not be eligible for threshold exemption.

Q 21. How will the goods and services be classified under GST regime?

Ans. HSN (Harmonised System of Nomenclature) code shall be used for classifying the goods under the GST regime. Taxpayers whose turnover is above Rs. 1.5 crores but below Rs. 5 crores shall use 2 digit code and the taxpayers whose turnover is Rs. 5 crores and above shall use 4 digit code. Taxpayers whose turnover is below Rs. 1.5 crores are not required to mention HSN Code in their invoices.

Services will be classified as per the Services Accounting Code (SAC)

Q 22. How will imports be taxed under GST?

Ans. Imports of Goods and Services will be treated as inter-state supplies and IGST will be levied on import of goods and services into the country. Integrated Goods and Services Tax on goods imported into India shall be levied and collected in accordance with the provisions of section 3 of the Customs Tariff Act, 1975 (51 of 1975) at the point when duties of customs are levied on the said goods under section 12 of the Customs Act, 1962 (52 of 1962), on a value as determined under the CGST Act. Further, The Central Government can notify categories of services the tax on which shall be paid by the electronic commerce operator if such services are supplied through it, and all the provisions of IGST Act shall apply to such electronic commerce operator as if he is the person liable for paying the tax in relation to the supply of such services, even if the electronic commerce operator has no physical presence in India. This will mainly relate to online information and database access or retrieval services like content downloading, e-books .etc.

The incidence of tax will follow the destination principle and the tax revenue in case of SGST will accrue to the State where the imported goods and services are consumed. Full and complete set-off will be available on the GST paid on import on goods and services.

Q 23. How will Exports be treated under GST?

Ans. Exports will be treated as zero rated supplies. No tax will be payable on exports of goods or services, however credit of input tax credit will be available and same will be available as refund to the exporters.

Q 24. What is the scope of composition scheme under GST?

Ans. Small taxpayers with an aggregate turnover in a financial year up to [Rs. 50 lakhs] shall be eligible for composition levy. Under the scheme, a taxpayer shall pay tax as a percentage of his turnover during the year without the benefit of ITC. The floor rate of tax for CGST and SGST shall not be less than [2.5% in case of manufacturers and 1% in case of others]. A tax payer opting for composition levy shall not collect any tax from his customers. Tax payers making inter- state supplies or paying tax on reverse charge basis shall not be eligible for composition scheme.

Q 25. Whether the composition scheme will be optional or compulsory?

Ans. Optional.

Q 26. What is GSTN and its role in the GST regime?

Ans. GSTN stands for Goods and Service Tax Network (GSTN). A Special Purpose Vehicle called the GSTN has been set up to cater to the needs of GST. The GSTN shall provide a shared IT infrastructure and services to Central and State Governments, tax payers and other stakeholders for implementation of GST. The functions of the GSTN would, inter alia, include: (i) facilitating registration; (ii) forwarding the returns to Central and State authorities; (iii) computation and settlement of IGST; (iv) matching of tax payment details with banking network; (v) providing various MIS reports to the Central and the State Governments based on the tax payer return information; (vi) providing analysis of tax payers' profile; and (vii) running the matching engine for matching, reversal and reclaim of input tax credit.

The GSTN is developing a common GST portal and applications for registration, payment, return and MIS/reports. The GSTN would also be integrating the common GST portal with the existing tax administration IT systems and would be building interfaces for tax payers. Further, the GSTN is developing back-end modules like assessment, audit, refund, appeal etc. for 19 States and UTs (Model II States). The CBEC and Model I States (15 States) are themselves developing their GST back-end systems. Integration of GST front-end system with back-end systems will have to be completed and tested well in advance for making the transition smooth.

Q 27. How are the disputes going to be resolved under the GST regime?

Ans. The Constitution (one hundred and first amendment) Act, 2016 provides that the Goods and Services Tax Council shall establish a mechanism to adjudicate any dispute-

- (a) between the Government of India and one or more States; or
- (b) between the Government of India and any State or States on one side and one or more other States on the other side; or
- (c) between two or more States, arising out of the recommendations of the Council or implementation thereof.

Q 28. What are the other legislative requirements for introduction of the GST?

Ans. Suitable legislation for the levy of GST (Central GST Bill, Integrated GST Bill and State GST Bills) drawing powers from the Constitution would need to be passed by the Parliament and the State Legislatures. Unlike the Constitutional Amendment which requires 2/3rd majority, the GST Bills would need to be passed by a simple majority. Obviously, the levy of the tax can commence only after the GST law has been enacted by the Parliament and respective Legislatures.

LEVY OF AND EXEMPTION  
FROM TAX

## Levy of and Exemption from Tax

Ans. Article 246A of the Constitution, which was introduced by the Constitution (101st Amendment) Act, 2016 confers concurrent powers to both parliament and state legislatures to make laws with respect to GST. Ans. The threshold for composition scheme is Rs. 50 Lakhs of aggregate turnover in financial year.

Q 14. How to compute 'aggregate turnover' to determine eligibility for composition scheme?

Ans. The methodology to compute aggregate turnover is given in Section 2(6). Accordingly, 'aggregate turnover' means 'Value of all supplies (taxable and non-taxable supplies including interstate supplies + Exempt supplies + Exports+)' and it excludes Taxes levied under CGST Act, SGST Act and IGST Act, Value of inward supplies + Value of supplies taxable under reverse charge of a person having the same PAN.

Q 15. What are the penal consequences if a taxable person violates the condition and is not eligible for payment of tax under the Composition scheme?

Ans. Taxable person who was not eligible for the composition scheme would be liable to pay tax, interest and in addition

# VALUATION IN GST

## Valuation in GST

Q 1. What is the value of taxable supply to be adopted for the levy of GST?

Ans. The value of taxable supply of goods and services shall ordinarily be 'the transaction value' which is the actually price paid or payable, when the parties are not related and price is the sole consideration. The MGL further elaborates various inclusions and exclusions from the ambit of transaction value. For example, the transaction value shall not include refundable deposit, discount allowed before or at the time of supply.

Q 2. What is transaction value?

Ans. Transaction value refers to the price actually paid or payable for the supply of goods and or services where the supplier and the recipient are not related and price is the sole consideration for the supply. It includes any amount which the supplier is liable to pay but which has been incurred by the recipient of the supply.

Q 3. Are there separate valuation provisions for CGST, SGST and IGST and Goods and Services?

Ans. No, section 15 is common for all three taxes and also common for goods and services.

Q 4. Is contract price not sufficient to determine valuation of supply?

Ans. Contract price is more specifically referred to as 'transaction value' and that is the basis for computing tax.

However, when the price is influenced by some factors like relationship of parties or certain transactions are deemed to be supply, which do not have a price, it is required to overcome these factors to determine the transaction value correctly.

Q 5. Is reference to Valuation Rules required in all cases?

Ans. No. Reference to Valuation Rules is required only in cases listed under section 15(4) i.e., where consideration payable is not money, or parties to the transaction are related.

Q 6. What is to be done if there are certain factors affecting price though the transaction is not covered by section 15(4)?

Ans. Section 15(2) provides the list of adjustments that may be made to make the price of a transaction reliable for purposes of determining tax payable.

Q 7. Can the transaction value declared under section 15(1) be accepted?

Ans. Yes, it can be accepted after examining for inclusions in section 15(2). Furthermore, the transaction value can be accepted even where the supplier and recipient are related, provided the relationship has not influenced the price.

Q 8. Whether post-supply discounts or incentives are to be included in the transaction value?

Ans. Yes. Unless the post-supply discount is established as per the agreement and is known at or before the time of supply and specifically linked to relevant invoice.

Q 9. Whether pre-supply discounts allowed before or at the time of supply are includible in the transaction value?

Ans. No, provided it is allowed in the course of normal trade practice and has been duly recorded in the invoice.

Q 10. When are Valuation Rules applicable?

Ans. Valuation Rules are applicable when (i) Consideration not in money terms; (ii) parties are related or supply by any specified category of supplier; and (iii) transaction value declared is not reliable.

Q 11. What are the methods provided for determining the value, in terms of draft GST Valuation Rules?

Ans. Three methods are prescribed under GST Valuation Rules for determining the transaction value i.e., comparative method, computation method and residual method, which are required to be followed sequentially. Besides, some specific valuation methods have been specified like in case of pure agents and money changers. Further specific rules may later be notified in case of Insurer, Air travel Agent and distributor or selling agents of lottery.

Q 12. What are the inclusions specified in Section 15(2) which could be added to Transaction Value?

Ans. The inclusions specified in Section 15(2) which could be added to Transaction Value are as follows:

- a) Any amounts paid by recipient that are obligation of supplier to pay;
- b) Money value of goods or services provided free or at concession by recipient;
- c) Royalties and license fees payable by recipient as a condition of supply;
- d) Taxes levied under any other law(s) (other than SGST / CGST or IGST);
- e) Expenses incurred by supplier before supply and charged separately;

- g) Reimbursements claimed separately by supplier;
- h) Discounts allowed 'after' supply except when known before supply; (Discounts allowed as a normal trade practice and reflected on the face of the invoice shall not be included).

The credit of IGST would be permitted to be utilized for payment of IGST, CGST and SGST in that order.

Q 8. What happens if the taxable person files the return but does not make payment of tax?

Ans. In such cases, the return is not considered as a valid return. It is only the valid return that would be used for allowing input tax credit (ITC) to the recipient. In other words, unless the supplier has paid the entire self-assessed tax and filed his return and the recipient has filed his return, the ITC of the recipient would not be confirmed.

Q 9. Which date is considered as date of deposit of the tax dues- Date of presentation of cheque or Date of payment or Date of credit of amount in the account of government account?

In addition, each taxpayer shall also have an electronic tax liability register. Once a taxpayer is registered on Common Portal (GSTN), 2 e-ledgers (Cash & Input Tax Credit) and an electronic tax liability register will be automatically opened and displayed on his dashboard at all times.

Q 11. What is a tax liability register?

Ans. Tax Liability Register will reflect the total tax liability of a taxpayer (after netting) for the particular month.

Q 12. What is a Cash Ledger?

Ans. The cash ledger will reflect all deposits made in cash, and TDS/TCS made on account of the taxpayer. The information will be reflected on real time basis. This ledger can be used for making any payment on account of GST.

Q 13. What is an ITC Ledger?

Ans. Input Tax Credit as self-assessed in monthly returns will be reflected in the ITC Ledger. The credit in this ledger can be used to make payment of TAX ONLY and not other amounts such as interest, penalty, fees etc.

Q 14. What is the linkage between GSTN and the authorized Banks?

Ans. There will be real time two way linkage between the GSTN and the Core Banking Solution (CBS) of the Bank. CPIN is automatically routed to the Bank via electronic string for verification and receiving payment and a challan identification number (CIN) is to automatically send by the Bank to the Common Portal confirming payment receipt. No manual intervention will be involved in the process by any one including bank cashier or teller or the taxpayer.

Q 15. Can a taxpayer generate challan in multiple sittings?

Ans. Yes, a taxpayer can partially fill in the challan form and temporarily “save” the challan for completion at a later stage. A saved challan can be “edited” before finalization. After the tax payer has finalized the challan, he will generate the challan, for use of payment of taxes. The remitter will have option of printing the challan for his record.

Q 16. Can a challan generated online be modified?

Ans. No. After logging into GSTN portal for generation of challan, payment particulars have to be fed in by the tax payer or his authorized person. He can save the challan midway for future updation. However once the challan is finalized and CPIN generated, no further changes can be made to it by the taxpayer.

Q 17. Is there a validity period of challan?

Ans. Yes, a challan will be valid for fifteen days after its generation and thereafter it will be purged from the System. However, the taxpayer can generate another challan at his convenience.

Q 18. What is a CPIN?

Ans. CPIN stands for Common Portal Identification Number (CPIN) given at the time of generation of challan. It is a 14 digit unique number to identify the challan. As stated above, the CPIN remains valid for a period of 15 days.

Q 19. What is a CIN and what is its relevance?

Ans. CIN stands for Challan Identification Number. It is a 17 digit number that is 14-digit CPIN plus 3-digit Bank Code. CIN is generated by the authorized banks/ Reserve Bank of India (RBI) when payment is actually received by such authorized banks or RBI and credited in the relevant government account held with them. It is an indication that the payment has been realized and credited to the appropriate government account. CIN is communicated by the authorized bank to taxpayer as well as to GSTN.

Q 20. What is the sequence of payment of tax where that taxpayer has liabilities for previous months also?

Ans. Section 35(8) prescribes an order of payment where the taxpayer has tax liability beyond the current return period. In such a situation, the order of payment to be followed is: First self-assessed tax and interest for the previous period; thereafter self-assessed tax and interest for the current period; and thereafter any other amounts payable including any confirmed demands under section 66 or 67. This sequence has to be mandatorily followed.

Q 21. What is an E-FPB?

Ans. E-FPB stands for Electronic Focal Point Branch. These are branches of authorized banks which are authorized to collect payment of GST. Each authorized bank will nominate only one branch as its E-FPB for pan India Transactions. The E-FPB will have to open accounts under each major head for all governments. Total 38 accounts (one each for CGST, IGST and one each for SGST for each State/UT Govt.) will have to be opened. Any amount received by such E-FPB towards GST will be credited to the appropriate account held by such E-FPB.

For NEFT/RTGS Transactions, RBI will act as E-FPB.

Q 22. What is TDS?

Ans. TDS stands for Tax Deducted at Source (TDS). As per section 46, this provision is meant for Government and Gov-

Q 23. How will the Supplier account for this TDS while filing his return?

Ans. Any amount shown as TDS will be reflected in the electronic cash ledger of the concerned supplier. He can utilize this amount towards discharging his liability towards tax, interest fees and any other amount.

Q 24. How will the TDS Deductor account for such TDS?

Ans. TDS Deductor will account for such TDS in the following ways:

1. Such deductors needs to get compulsorily registered under section 23 read with Schedule V of MGL.
2. They need to remit such TDS collected by the 10th day of the month succeeding the month in which TDS was collected and reported in GSTR 7.
3. The amount deposited as TDS will be reflected in the electronic cash ledger of the supplier.
4. They need to issue certificate of such TDS to the deductee within 5 days of deducting TDS failing which fees of Rs. 100 per day subject to maximum of Rs. 5000/- will be payable by such deductor.

Q 25. What is Tax Collected at Source (TCS)?

Ans. This provision is applicable only for E-Commerce Operator under section 56 of MGL. Every E-Commerce Operator needs to withhold a percentage (to be notified later on the recommendation of the GST Council) of the amount which is due from him to the supplier at the time of making actual payment to the supplier. Such withheld amount is to be deposited by such E-Commerce Operator to the appropriate GST account by the 10th of the next month. The amount deposited as TCS will be reflected in

the electronic cash ledger of the supplier.

Q 26. Is the pre-registration of credit card necessary in the GSTN portal for the GST payment?

Ans. Yes. The taxpayer would be required to pre-register his credit card, from which the tax payment is intended, with the Common Portal maintained on GSTN. GSTN may also attempt to put in a system with banks in getting the credit card verified by taking a confirmation from the credit card service provider. The payments using credit cards can therefore be allowed without any monetary limit to facilitate ease of doing business.

# ELECTRONIC COMMERCE

## Electronic Commerce

Q 1. What is e-commerce?

Ans. Section 2(41) of the MGL defines an Electronic Commerce to mean supply of goods and/or services including digital products over digital or electronic network.

Q 2. Who is an e-commerce operator?

Ans. Section 2(42) of the MGL defines an Electronic Commerce Operator (Operator) means any person who owns, operates or manages digital or electronic facility or platform for electronic commerce. Also a person providing any information or any other services incidental to or in connection with such supply of goods and services through electronic platform would be considered as an Operator.

Q3. What are the circumstances under which, the e-commerce operator is treated specially for the purposes of GST?

(I) He is liable to pay TCS under section 56 for the supplies made through the platform, for which the e-commerce operator is a facilitator of the supply, con

necting the supplier and the recipient and receives the payment from the recipient and passes the same to the supplier.

- (II) He is liable to pay tax at the full rate, as if he is a taxable person on certain notified services made through the electronic platform, even though he may not be the provider of service, under section 8(4) ( Ride sharing services like ola, uber etc may be one of the proposed notified services.)
- (III) The same provisions relating to e-commerce operator as (ii) above is also there in the IGST Act, which will apply to “online information and database access or retrieval services” like advertising on the internet, providing cloud services, provision of e-books, movie, music, software and other intangibles via telecommunication networks or internet ,providing data or information, retrievable or otherwise, to any person, in electronic form through a computer network, online supplies of digital content (movies, television shows, music, etc.), digital data storage; and online gaming etc. supplied to unregistered persons in India.( import of supplies to registered persons will be chargeable to IGST under the reverse charge mechanism)

A person supplying goods/services on his own account, however, would not be considered as an Operator. For instance, Amazon and Flipkart are e-commerce Operators because they are facilitating actual suppliers to supply goods through their platform (popularly called Market place model or Fulfillment Model). However, Titan supplying watches and jewels through its own website would not be considered as an e-commerce operator for the purposes of this provision. Similarly Amazon and Flipkart will not be treated as e-commerce operators in relation to those supplies in goods which they make on their own account (popularly called inventory Model).

Q 4. Is it mandatory for e-commerce operator to obtain registration?

Ans. Yes. Section 23 r/w Schedule-V of the MGL provides that the threshold exemption is not available to e-commerce operators and they would be liable to be registered irrespective of the value of supply made through them.

Q 5. Whether a supplier of goods/services supplying through e-commerce operator would be entitled to threshold exemption?

Ans. No. Section 23 r/w Schedule-V of the MGL, provides that the threshold exemption is not available to such suppliers and they would be liable to be registered irrespective of the value of supply made by them.

Q 6. What is Tax Collection at Source (TCS)?

Ans. In terms of Section 56 of the MGL, the e-commerce operator is required to collect (i.e. deduct) an amount out of the consideration paid or payable to the actual supplier of goods or services in respect of supplies of goods and / or services made through such operator. The amount so deducted/collected is called as Tax Collection at Source (TCS). A person supplying goods/services on his own account, however, would not be considered as an Operator for the purpose of TCS. For instance, Amazon and Flipkart are e-commerce Operators because they are facilitating actual suppliers to supply goods through their platform (popularly called Market place model or Fulfillment Model). However, Titan supplying watches and jewels through its own website would not be considered as an e-commerce operator for the purposes of this provision. Similarly Amazon and Flipkart will not be treated as e-commerce operators in relation to those supplies in goods which they make on their own account (popularly called inventory Model). So, TCS will not be applicable to such supplies which the operator sells through e-commerce, on their own account.

Q7. What is the rate of TCS?

Ans. One percent on the net value of taxable supplies made through it where the consideration with respect to such supplies is collected by the operator.

Will TCS be applicable if the E-commerce operator collects money from customers by COD (cash-on-delivery) method?

The present practice of COD (cash-on-delivery) is only a method of collection by employed by the electronic commerce operator. It is collected by the operator directly or by employing agents for the purpose. The agent remits the amount to the e-commerce operator. As such, the consideration in this case is collected by the operator and he will be liable for TCS on such collections.

Q 8. At what time/intervals should the e-commerce operator make such deductions?

Ans. In a month, from the net value of the consideration received by the operator from customers on behalf of the original registered taxable supplier. Net value is arrived after deducting the supplies that are returned to the suppliers.

Q 9. What is the time within which such TCS is to be remitted by the e-commerce operator to Government account? Is the operator required to file any returns for this purpose?

Ans. In terms of Section 56(2) of the MGL, the amount collected by the operator is to be paid to the credit of appropriate government within 10 days after the end of the month in which amount was so collected.

Further, in terms of Section 56(3) of the MGL, the operator is required to file a Statement, electronically, containing details of all amounts collected by him for the outward supplies made and returned through his Portal, within 10 days of the end of the calendar month to which such statement pertains. The said statement would contain the names of the actual supplier(s), details of respective supplies made by them and the amount collected on

their behalf. The Form and Manner of the said Statement would be prescribed in the GST Rules.

Q 10. How can actual suppliers claim credit of this TCS?

Ans. Such TCS which is deposited by the operator into government account will be reflected in the cash ledger of the actual registered supplier (on whose account such collection has been made) on the basis of the statement filed by the operator. The same can be used at the time of discharge of tax liability in respect of the supplies by the actual supplier.

Q 11. Is the e-commerce operator required to furnish information to the Government?

Ans. Yes. In terms of section 56(9), an officer not below the rank of Joint Commissioner may require the operator to furnish details relating to:

- (i) supplies of goods / services effected through the operator during any period;
- (ii) stock of goods held by actual supplier making supplies through such operator in the godowns or ware houses belonging to the operator and registered as additional place of business by the actual supplier.

The operator is required to furnish the above information within 15 working days from the date of service of notice asking such information. In case of failure to furnish such information, the penalty could be extended to Rs. 25,000/- .

Q 12. Is the e-commerce operator required to submit any statement? What are the details that are required to be submitted in the statement?

Ans. Yes, in terms of Section 56 (3), every operator is required to furnish a statement, electronically, of all amounts collected as TCS towards outward supplies of goods and/or services effected through it, during a calendar month within ten days after the end of such calendar month. The statement shall contain, inter alia, the details of the amount collected on behalf of each supplier in respect of

all supplies of goods and/ or services effected through the operator and the details of such supplies during the said calendar month.

Q 13. What is the concept of matching in e-commerce provisions and how it is going to work?

Ans. As per section 56(5), the details of supplies and the amount collected during a calendar month, and furnished by every operator in his statement will be matched with the corresponding details of outward supplies furnished by the concerned supplier in his valid return filed under section 32. Where the details of outward supply, on which the tax has been collected, as declared by the operator in his statement do not match with the corresponding details declared by the supplier the discrepancy shall be communicated to both persons.

Q 14 What will happen if the details remain mismatched?

Ans. As per section 56 (7), the value of a supply relating to any payment in respect of which any discrepancy is communicated and which is not rectified by the supplier in his valid return for the month in which discrepancy is communicated shall be added to the output liability of the said supplier, for the calendar month succeeding the calendar month in which the discrepancy is communicated. The concerned supplier shall, in whose output tax liability any amount has been added shall be liable to pay the tax payable in respect of such supply along with interest, at the rate specified under sub-section (1) of section 36 on the amount so added from the date such tax was due till the date of its payment.

Thus the definition of job-work itself reflects the change in basic scheme of taxation relating to job-work in the proposed GST regime.

Q 2. Whether goods sent by a taxable person to a job-worker will be treated as supply and liable to GST? Why?

Ans. Yes. Section 55 of the MGL provides that the registered taxable person (principal) can send the taxable goods to a job-worker for job-work without payment of tax. He can further send the goods from one job-worker to another job-worker and so on subject to certain condition. It may be noted that provisions of Section 55 are not applicable if non-taxable or exempted goods are proposed to be sent for job-work.

Ans. Yes, as a Job-worker would be a supplier of services, he would be required to obtain registration if his aggregate turnover exceeds the prescribed threshold.

Ans. No. It will be included in the aggregate turnover of the principal.

Q 6. Can the principal supply the goods directly from the premises of the job-worker without bringing it back to his own premises?

Ans. Yes but with a rider that the principal should have declared the premises of such job-worker as his additional place of business or where the job-worker is a registered person or where the goods have been notified.

Q 7. Under what circumstances can the principal directly supply goods from the premises of job-worker?

Ans. The goods can be supplied directly from the place of business of job-worker without declaring it as additional place of business in two circumstances namely where the job-worker is a registered taxable person or where the principal is engaged in supply of such goods as may be notified in this behalf.

Q 8. What are the provisions concerning taking of ITC in respect of inputs/capital goods sent to a job-worker?

Ans. In the MGL, aspects relating to taking input tax credit in respect of inputs/capital goods sent for job-work have been specifically dealt in Section 20, which provides that the credit of taxes paid on inputs or capital goods can be taken in the following manner:

Principal shall be entitled to take credit of inputs sent to a job-worker if the said inputs, after completion of job-work are received back in one year from the date of being sent out. In case the inputs are sent directly to the job-worker, the date shall be counted from the date of receipt of inputs by job-worker. Further an amount equivalent to the input tax credit availed on such inputs has to be paid along with interest, in case the inputs are not received back within the specified time. The credit can be reclaimed when the inputs are actually received back.

Q 9. Are the provisions of job-work applicable to all category of goods?

Ans. No. The provisions relating to job-work are applicable only when registered taxable person intends to send taxable goods. In other words, these provisions are not applicable to exempted or non-taxable goods or when the sender is a person other than registered taxable person.

So ITC will be available to the person on whose order the goods are delivered to third person.

Q 28. What is the time limit for taking ITC?

Ans. As per Section 16 (4) of the MGL, ITC cannot be taken beyond the month of September of the following FY to

which invoice pertains or date of filing of annual return, whichever is earlier.

The underlying reasoning for this restriction is that no change in return is permitted after September of next FY. If annual return is filed before the month of September then no change can be made after filing of annual return.

Q 29. Is there any negative list on which ITC is not permitted?

Ans. Section 17(4) of the MGL provides for the negative list with respect to the admissibility of ITC. It has been provided that the ITC on following items cannot be availed:

- (a) motor vehicles, except when they are supplied in the usual course of business or are used for providing the following taxable services –
  - (i) transportation of passengers, or
  - (ii) transportation of goods, or
  - (iii) imparting training on motor driving skills;
- (b) goods and / or services provided in relation to food and beverages, outdoor catering, beauty treatment, health services, cosmetic and plastic surgery, membership of a club, health and fitness center, life insurance, health insurance and travel benefits extended to employees on vacation such as leave or home travel concession, when such goods and/ or services are used primarily for personal use or consumption of any employee;
- (c) goods and/or services acquired by the principal in the execution of works contract when such contract results in construction of immovable property, other than plant and machinery; except where it is an input service for further supply of works contract service.
- (d) goods acquired by a principal, the property in which is not transferred (whether as goods or in some other form) to any other person, which are used in the con

struction of immovable property, other than plant and machinery;

Q 30. Section 37 of the MGL provides that the ITC would be confirmed only if the inward details filed by the recipient are matched with the outward details furnished by the supplier in his valid return. What happens if there is a mismatch?

Ans. In case of mismatch between the inward and outward details, the supplier would be required to rectify the mismatch within a period of two months and if the mis-match continues, the ITC would have to be reversed by the recipient.

Q 31. What will be the tax impact when capital goods on which ITC has been taken are supplied by taxable person?

Ans. As per section 18(10) of the MGL, in case of supply of capital goods on which input tax credit has been taken, the registered taxable person shall pay an amount equal to the input tax credit taken on the said capital goods reduced by the percentage points as may be specified in this behalf or the tax on the transaction value of such capital goods, whichever is higher.

Q 32. What is the recovery mechanism for wrongly availed credit?

Ans. As per section 19 of the MGL, the wrongly availed credit would be recovered from the registered taxable person in terms of provisions of the Act.

# CONCEPT OF INPUT SERVICE DISTRIBUTOR IN GST

For the purpose of distributing the credit, ISD is deemed as supplier of services.

Q 2. What are the requirements for registration as ISD?

Ans. An ISD is required to obtain registration as a deemed supplier of services [section 23 read with para 6(ix) of Schedule V]. The threshold limit of registration is not applicable to ISD. The registration of ISD under the existing regime (i.e. under Service Tax) would not be migrated in GST regime. All the existing ISDs will be required to obtain fresh

**RETURNS PROCESS AND  
MATCHING OF  
INPUT TAX CREDIT**

## Returns Process and matching of Input Tax Credit

Q 1. What is the purpose of returns?

Ans.

- a) Mode for transfer of information to tax administration;
- b) Compliance verification program of tax administration;
- c) Finalization of the tax liabilities of the taxpayer within stipulated period of limitation; to declare tax liability for a given period;
- d) Providing necessary inputs for taking policy decision;
- e) Management of audit and anti-evasion programs of tax administration.

Q 2. Who needs to file Return in GST regime?

Ans. Every registered taxable person who crosses the threshold limit for payment of taxes. A supplier needs to be registered when the aggregate turnover crosses Rs. Twenty

lacs. So he will be required to file returns when he crosses the threshold limit of Rs. twenty lacs. There are some other class of persons who need to be registered and therefore will have to file returns like interstate suppliers, TDS deductors, e-commerce operators, suppliers supplying goods through e-commerce operators etc

Q 3. What type of outward supply details are to be filed in the return?

Ans. A normal registered taxpayer has to file the outward supply details in GSTR-1 in relation to various types of supplies made in a month, namely outward supplies to registered persons, outward supplies to unregistered persons (consumers), details of Credit/Debit Notes, zero rated, exempted and non-GST supplies, exports, and advances received in relation to future supply.

Q 4. Is the scanned copy of invoices to be uploaded along with GSTR-1?

Ans. No scanned copy of invoices is to be uploaded. Only certain prescribed fields of information from invoices need to be uploaded.

Q 5. Whether all invoices will have to be uploaded?

Ans. It depends on whether B2B or B2C plus whether Intra-state or Inter-state supplies.

For B2B supplies, all invoices, whether Intra-state or Inter-state supplies, will have to be uploaded. Why So? Because ITC will be taken by the recipients, invoice matching is required to be done.

In B2C supplies, uploading in general may not be required as the buyer will not be taking ITC. However still in order to implement the destination based principle, individual invoices of value more than Rs.2.5 lacs in inter-state and intra-state B2C supplies will have to be uploaded. For invoices below Rs. 2.5 lacs and all invoices, state wise summary will be sufficient.

Q 6. Whether description of each item in the invoice will have to be uploaded?

Ans. No. In fact description will not have to be uploaded. Only HSN code in respect of supply of goods and Accounting code in respect of supply of services will have to be fed. The minimum number of digits that the filer will have to upload would depend on his turnover in the last year.

Q 7. Whether value for each transaction will have to be fed? What if no consideration?

Ans. Yes. Not only value but taxable value will also have to be fed. In some cases both may be different.

In case there is no consideration, but it is supply by virtue of schedule 1, the taxable value will have to be uploaded.

Q 8. Can a recipient feed information in his GSTR-2 which has been missed by the supplier?

Ans. Yes, the recipient can himself feed the invoices not uploaded by his supplier. The credit on such invoices will also be given provisionally but will be subject to matching. On matching, if the invoice is not uploaded by the supplier, both of them will be intimated. If the mismatch is rectified, provisional credit will be confirmed. But if mismatch continues even after intimation, the credit provisionally allowed will be reversed.

Q 9. Do the taxable person have to feed anything in the GSTR-2 or everything is auto-populated from GSTR-1?

Ans. While a large part of GSTR-2 will be auto-populated, there are some details that only recipient can fill like details of imports, details of purchases from non-registered or composition suppliers and exempt/non-GST/nil GST supplies etc.

Q 10. What if the invoices do not match? Whether ITC given or denied? If denied, what action is taken against supplier?

Ans. If invoices in GSTR-2 do not match with invoices in counter-party GSTR-1, the ITC will be reversed if the mismatch

continues even after it is made known to both and still it is not rectified. Mismatch can be because of two reasons. First, it could be due to mistake at the side of the recipient, and in such a case, no further action is required. Secondly, it could be possible that the said invoice was issued by supplier but he did not upload it and pay tax on it. In such a case, recovery action shall be taken against the supplier. In short, all mismatches will lead to proceedings if the supplier has made a supply but not paid tax on it.

Q 11. What will be the legal position in regard to the reversed input tax credit if the supplier later realises the mistake and feeds the information?

Ans. At any stage, but before September of the next financial year, supplier can upload the invoice and pay duty and interest on such missing invoices in his GSTR-3 of the month in which he uploaded the invoice. The recipient will then automatically get ITC on that invoice. The interest paid by the recipient at the time of reversal will also be returned to the recipient through an automated system on the GSTN.

Q 12. What is the special feature of GSTR-2?

Ans. The special feature of GSTR-2 is that the details of supplies received by a recipient can be auto populated on the basis of the details furnished by the counterparty supplier in his GSTR-1.

Q 13. Whether the ITC denied can be restored?

Ans. If the supplier uploads the invoice at any time after the reversal but by September of the next financial year, the credit reversed earlier gets restored along with refund of the interest paid during reversal.

Q 14. Do tax payers under the composition scheme also need to file GSTR-1 and GSTR-2?

Ans. No. Composition tax payers do not need to file any statement of outward or inward supplies. They have to file a quarterly return in Form GSTR-4 by the 1st of the month after the end of the quarter. Since they are not eligible for

any input tax credit, there is no relevance of GSTR-2 for them and since they do not pass on any credit to their recipients, there is no relevance of GSTR-1 for them. In their return, they have to declare summary details of their outward supplies along with the details of tax payment. They also have to give details of their purchases in their quarterly return itself, most of which will be auto populated.

Q 15. Do Input Service Distributors (ISDs) need to file separate statement of outward and inward supplies with their return?

Ans. No, the ISDs need to file only a return in GSTR-6 and the return has the details of credit received by them from the service provider and the credit distributed by them to the subsidiaries. Since their return itself covers these aspects, there is no requirement to file separate statement of inward and outward supplies.

Q 16. How does a taxpayer get the credit of the tax deducted at source on his behalf? Does he need to produce TDS certificate from the deductee to get the credit?

Ans. Under GST, the deductor will be submitting the deductee wise details of all the deductions made by him in his return in Form GSTR-7 to be filed by 10th of the month next to the month in which deductions were made. The details of the deductions as uploaded by the deductor shall be auto populated in the GSTR-2 of the deductee. The taxpayer shall be required to confirm these details in his GSTR-2 to avail the credit for deductions made on his behalf. To avail this credit he does not require to produce any certificate in physical or electronic form. The certificate will only be for record keeping of the tax payer and can be downloaded from the Common Portal.

Q 17. Who all need to file Annual Return?

Ans. All taxpayers filing return in GSTR-1 to 3 other than casual taxpayers and taxpayers under composition scheme are required to file an annual return. Casual taxpayers, non-resident taxpayers, ISDs and persons authorized to deduct tax at source are not required to file annual return.

Q 18. Is an Annual Return and a Final Return one and the same?

Ans. No. Annual Return has to be filed by every registered taxable person paying tax as a normal or a compounding taxpayer. Final Return has to be filed only by those registered taxable persons who have applied for cancellation of registration. This has to be filed within three months of the date of cancellation or the date of cancellation order.

Q 19. If a return has been filed, how can it be revised if some changes are required to be made?

Ans. In GST since the returns are built from details of individual transactions, there is no requirement for having a revised return. Any need to revise a return may arise due to the need to change a set of invoices or debit/ credit notes. Instead of revising the return already submitted, the system will allow changing the details of those transactions (invoices or debit/credit notes) that are required to be amended. They can be amended in any of the future GSTR-1/2 in the tables specifically provided for the purposes of amending previously declared details.

Q 20. How can taxpayers file their returns?

Ans. Taxpayers will have various modes to file the statements and returns. Firstly, they can file their statement and returns directly on the Common Portal online. However, this may be tedious and time taking for taxpayers with large number of invoices. For such taxpayers, an offline utility will be provided that can be used for preparing the statements offline after downloading the auto populated details and uploading them on the Common Portal. GSTN has also developed an ecosystem of GST Suvidha Providers (GSP) that will integrate with the Common Portal.

Q 21. What all should a diligent taxpayer ensure for a hassle free compliance under GST?

Ans. One of the most important things under GST will be timely uploading of the details of outward supplies in Form GSTR-1 by 10th of next month. How best this can be ensured will depend on the number of B2B invoices

that the taxpayer issues. If the number is small, the taxpayer can upload all the information in one go. However, if the number of invoices is large, the invoices (or debit/ credit notes) should be uploaded on a regular basis. GSTN will allow regular uploading of invoices even on a real time basis. Till the statement is actually submitted, the system will also allow the taxpayer to modify the uploaded invoices. Therefore, it would always be beneficial for the taxpayers to regularly upload the invoices. Last minute rush will make uploading difficult and will come with higher risk of possible failure and default. The second thing would be to ensure that taxpayers follow up on uploading the invoices of their inward supplies by their suppliers. This would be helpful in ensuring that the input tax credit is available without any hassle and delay. Recipients can also encourage their suppliers to upload their invoices on a regular basis instead of doing it on or close to the due date. The system would allow recipients to see if their suppliers have uploaded invoices pertaining to them. The GSTN system will also provide the track record about the compliance level of a tax payer, especially about his track record in respect of timely uploading of his supply invoices giving details about the auto reversals that have happened for invoices issued by a supplier. The Common Portal of GST would have pan India data at one place which will enable valuable services to the taxpayers. Efforts are being made to make regular uploading of invoices as easy as possible and it is expected that an enabling eco- system will develop towards this objective. Taxpayers should make efficient use of this ecosystem for easy and hassle free compliance under GST.

Q 22. Is it compulsory for taxpayer to file return by himself ?

Ans. No. A registered taxpayer person can also get his return filed through a Tax Return Preparer or tax practitioner, duly approved by the Central or the State tax administration.

Q 23. What is the consequence of not filing the return within the prescribed date?

Ans. A registered taxable person who files return beyond the prescribed date will have to pay late fees of rupees one hundred for every day of delay subject to a maximum of rupees five thousand.

# ASSESSMENT AND AUDIT

## Assessment and Audit

Q 1. Who is the person responsible to make assessment of taxes payable under the Act?

Ans. Every person registered under the Act shall himself assess the tax payable by him for a tax period and after such assessment he shall file the return required under section 34.

Q 2. Is there any provision in MGL for tax treatment of goods returned by the recipient?

Ans. Tax paid can be adjusted by the supplier by issuing credit notes, and the tax liability can be adjusted in the return relating to the months in which credit note was issued, but not later than September following the end of the year or date of filing of annual returns.

Q 3. 'A' supplied goods to 'B' in April 2017, these goods were returned by 'B' to 'A' on June 2017. The tax rate charged by 'A' on such goods was 18%. In May 2017, the rate was amended to 18.5%. What is the tax payable on return of such inward supply by 'B' to 'A'?

Ans. 18%.

Q 4. When can a taxable person pay tax on a provisional basis?

Ans. As a taxpayer has to pay tax on self-assessment basis, a request for paying tax on provisional basis has to come from the taxpayer which will then have to be permitted by the proper officer. In other words, no tax officer can suo-moto order payment of tax on provisional basis. This is governed by section 58 of MGL. Tax can be paid on a provisional basis only after the proper officer has permitted it through an order passed by him. For this purpose, the taxable person has to make a written request to the proper officer, giving reasons for payment of tax on a provisional basis. Such a request can be made by the taxable person only in such cases where he is unable to determine:

- a) the value of goods or services to be supplied by him, or
- b) determine the tax rate applicable to the goods or services to be supplied by him.

In such cases the taxable person has to execute a bond in the prescribed form, and with such surety or security as the proper officer may deem fit.

Q 5. What is the latest time by which final assessment is required to be made?

Ans. The final assessment order has to be passed by the proper officer within six months from the date of the communication of the order of provisional assessment. However, on sufficient cause being shown and for reasons to be recorded in writing, the above period of six months may be extended:

- a) by the Joint/Additional Commissioner for a further period not exceeding six months, and
- b) by the Commissioner for such further period as he may deem fit.

Q 6. Where the tax liability as per the final assessment is higher than in provisional assessment, will the taxable person be

liable to pay interest?

Ans. Yes. He will be liable to pay interest from the date the tax was due to be paid originally till the date of actual payment.

Q 7. What recourse may be taken by the officer in case proper explanation is not furnished for the discrepancy detected in the return filed under section 59 of MGL?

Ans. If the taxable person does not provide a satisfactory explanation within 30 days of being informed (extendable by the officer concerned) or does not take corrective action within a reasonable period after accepting the discrepancies, the Proper Officer may take recourse to any of the following provisions:

- (a) Proceed to conduct audit under Section 63 of the Act;
- (b) Direct the conduct of a special audit under Section 64 which is to be conducted by a Chartered Accountant or a Cost Accountant nominated for this purpose by the Commissioner; or
- (c) Undertake procedures of inspection, search and seizure under Section 79 of the Act; or
- (d) Initiate proceeding for determination of tax under Section 66 or 67 of the Act.

Q 8. Whether Proper Officer is required to give any notice to taxable person before completing assessment u/s 60?

Ans. As this provision relates to 'best judgment assessment', giving a notice to the taxable person is not required.

Q 9. If a taxable person fails to file the return required under law (under section 34 or 40), what legal recourse is available to the tax officer?

Ans. The proper officer has to first issue a notice to the defaulting taxable person under section 41 of MGL requiring him to furnish the return within a specified period of time,

which has to be a minimum of fifteen days as per section 60 of MGL. If the taxable person fails to file return within the given time, the proper officer shall proceed to assess the tax liability of the return defaulter to the best of his judgement taking into account all the relevant material available with him. This power is given under section 60 of MGL.

Q 10. Under what circumstances can a best judgment assessment order issued under section 60 be withdrawn?

Ans. The best judgment order passed by the Proper Officer under section 60 of MGL shall automatically stand withdrawn if the taxable person furnishes a valid return for the default period (i.e. files the return and pays the tax as assessed by him), within thirty days of the receipt of the best judgment assessment order.

Q 11. What is the time limit for passing order u/s 60 and 61?

Ans. The time limit for passing an assessment order under section 60 or 61 is three or five years from the due date for filing the annual return.

Q 12. What is the legal recourse available in respect of a person who is liable to pay tax but has failed to obtain registration?

Ans. Section 61 of MGL provides that in such a case, the proper officer can assess the tax liability and pass an order to his best judgment for the relevant tax periods. However, such an order must be passed within a period of five years from the due date of filing of the annual return for the financial year to which non-payment of tax relates.

Q 13. Under what circumstances can a tax officer initiate Summary Assessment?

Ans. As per section 62 of MGL, Summary Assessments can be initiated to protect the interest of revenue when:

a) the proper officer has evidence that a taxable person

- has incurred a liability to pay tax under the Act, and
- b) the proper officer believes that delay in passing an assessment order will adversely affect the interest of revenue.

Such order can be passed after seeking permission from the Additional Commissioner / Joint Commissioner.

Q 14. Other than appellate remedy, is there any other recourse available to the taxpayer against a summary assessment order?

Ans. A taxable person against whom a summary assessment order has been passed can apply for its withdrawal to the jurisdictional Additional/Joint Commissioner within thirty days of the date of receipt of the order. If the said officer finds the order erroneous, he can withdraw it and direct the proper officer to carry out determination of tax liability in terms of section 66 or 67 of MGL. The Additional/Joint Commissioner can follow a similar course of action on his own motion if he finds the summary assessment order to be erroneous (section 62 of MGL).

Q 15. Is summary assessment order to be necessarily passed against the taxable person?

Ans. No. In certain cases like when goods are under transportation or are stored in a warehouse, and the taxable person in respect of such goods cannot be ascertained, the person in charge of such goods shall be deemed to be the taxable person and will be assessed to tax (section 62 of MGL).

Q 16. Who can conduct audit of taxpayers?

Ans. As per section 63 of MGL, any officer of CGST or SGST authorized by his Commissioner by a general or specific order may conduct audit of a taxpayer. The frequency and manner of audit will be prescribed in due course.

Q 17. Whether any prior intimation is required before conducting the audit?

Ans. Yes, prior intimation is required and the taxable person should be informed at least 15 days prior to conduct of audit.

Q 18. What is the period within which the audit is to be completed?

Ans. The audit is required to be completed within 3 months from the date of commencement of audit or within a further period of a maximum of 6 months subject to the approval of the Commissioner.

Q 19. What is meant by commencement of audit?

Ans. The term 'commencement of audit' is important because audit has to be completed within a given time frame in reference to this date of commencement. Commencement of audit means the later of the following:

- a) the date on which the records/accounts called for by the audit authorities are made available to them, or
- b) the actual institution of audit at the place of business of the taxpayer.

Q 20. What are the obligations of the taxable person when he receives the notice of audit?

Ans. The taxable person is required to:

- a) facilitate the verification of accounts/records available or requisitioned by the authorities,
- b) provide such information as the authorities may require for the conduct of the audit, and
- c) render assistance for timely completion of the audit.

Q 21. What would be the action by the proper officer upon conclusion of the audit?

Ans. The proper officer must without delay inform the taxable person about his findings, reasons for findings and the

taxable person's rights and obligations in respect of such findings.

Q 22. Under what circumstances can a special audit be instituted?

Ans. A special audit can be instituted in limited circumstances where during scrutiny, investigation, etc. it comes to the notice that a case is complex or the revenue stake is high. This power is given in section 64 of MGL.

Q 23. Who can serve the notice for special audit?

Ans. The Assistant / Deputy Commissioner is to serve the notice for special audit only after prior approval of the Commissioner.

Q 24. Who will do the special audit?

Ans. A Chartered Accountant or a Cost Accountant so nominated by the Commissioner may undertake the audit.

Q 25. What is the time limit to submit the audit report?

Ans. The auditor will have to submit the report within 90 days or within the further extended period of 90 days.

Q 26. Who will bear the cost of special audit?

Ans. The expenses for examination and audit including the remuneration payable to the auditor will be determined and borne by the Commissioner.

Q 27. What action the tax authorities may take after the special audit?

Ans. Based on the findings / observations of the special audit, action can be initiated under Section 66 or 67 of the MGL.

Ans. Yes, it is 60 days in all cases, excepting in a case where the refund to the extent of 80% of the total amount claimed is refundable to certain categories of exporters referred to in sub-section (6) of section 48. If refund is not sanctioned within the period of two months, interest will have to be paid by the department.

Q 11. Can refund be withheld by the department?

Ans. Yes, refund can be withheld in the following circumstances:

- If the registered dealer has not submitted return(s), till he files the return(s);
- If the registered taxable person is required to pay any tax, interest or penalty which has not been stayed by the appellate authority/Tribunal/ court, till he pays such tax interest or penalty; [The proper officer can also deduct unpaid taxes if any of the dealer from the refundable amount].
- Commissioner/Board can withhold refund, if, the Order of Refund is under appeal and he is of the opinion that grant of such refund will adversely affect revenue - (Sec.48(11) of MGL).

Ans. Since the exporter has a time period of one year from the date of export for remitting of export proceeds, BRC may not be available at the time of refund application. But if export proceeds are received in advance BRC may be available. Thus, refund should be subject to submission of BRC details within a period of maximum one year or as extended by RBI. e-BRC module of DGFT will be integrated with GST module.

However for export of services BRC would be required before sanction of refund.

Q 17. Will the principle of unjust enrichment apply to exports or deemed exports?

Q 19. Today under VAT/CST merchant exporters can purchase goods without payment of tax on furnishing of a declaration form. Will this system be there in GST?

Ans. No, there will be no such provision in GST. They will have to purchase goods upon payment of tax and claim refund of the accumulated ITC as discussed in section 38(2).

Q 20. Presently under Central law, exporters are allowed to obtain duty paid inputs, avail ITC on it and export goods upon payment of duty (after utilizing the ITC) and thereafter claim refund of the duty paid on exports. Will this system continue in GST?

Ans. Under the GST regime exports will be zero rated which means that the export goods would not suffer any actual tax liability although inputs for such exports would be tax paid. Under GST, refund will be allowable on the accumulated inputs as well as on exported finished goods.

**APPEALS,  
REVIEW AND REVISION IN GST**

## Appeals, Review and Revision in GST

Q 1. Whether any person aggrieved by any order or decision passed against him has the right to appeal?

Ans. Yes. Any person aggrieved by any order or decision passed against him has the right to appeal. It must be an order or decision passed by an “adjudicating authority”.

However, some decisions or orders (as provided for in Section 112) are not appealable.

Q 2. When Commissioner of CGST feels that the order passed is not legal and proper, whether he can revise the order himself ?.

Ans. No. The Commissioner of CGST cannot revise the order. In the model law, for CGST and SGST, there are different provisions in this regard. For CGST, as per Section 98(2), the Commissioner of CGST/SGST if he finds an order or decision (passed by an adjudicating authority) to be not legal or proper, can pass an order setting out the points for determination where he is of the view that the order is not

legal and proper and directing a GST officer sub-ordinate to him to file an application to First Appellate Authority (FAA). Such application is then treated by the FAA as if it were an appeal.

Q 3. What is the time limit to file appeal to First Appellate Authority?

Ans. The time limit is fixed as 3 months from the date of communication of order or decision.

Q 4. Whether this time limit applies even for the departmental appeal/application filed consequent to order of Commissioner of CGST?

Ans. In such cases the time limit shall be six months.

Q 5. Whether the first appellate authority has any powers to condone the delay in filing appeal?

Ans. First appellate authority has to communicate the copy of order to the appellant and the adjudicating authority with a copy to jurisdictional Commissioner of CGST and SGST.

Q 8. What is the amount of mandatory pre-deposit which should be made alongwith every appeal?

Ans. (i) Admitted tax , interest or penalty, and

Further, if the Commissioner of SGST/CGST considers any case to be a “serious case”, the departmental authority can apply to the first Appellate Authority for ordering a higher amount of pre-deposit not exceeding 25% of the amount in dispute.

Q 9. Whether in an appeal the FAA can pass an order enhancing the quantum of duty/fine/penalty/reduce the amount of refund/ITC from the one passed by the original authority?

Ans. The FAA is empowered to pass an order enhancing the fees or penalty or fine in lieu of confiscation or reducing the amount of refund or input tax credit provided the appellant has been given reasonable opportunity of showing cause against the proposed detrimental order. (First Proviso to Section 98(10)).

In so far as the question of enhancing the duty or deciding wrong availment of ITC is concerned, the FAA can do so only after giving specific SCN to the appellant against the proposed order and the order itself should be passed within the time limit specified under Section 66 or 67.. (Second Proviso to Section 98(10)).

Q 10 . What is the meaning of “serious case”?

Ans. It is defined to mean a case involving a disputed tax liability of not less than Rs. 25 Crores on orders passes under section 67.

Q 12. Can the Commissioner order for staying of operation of any order passed by his subordinates pending such revision?

Ans. Yes.

Q 13. Are there any fetters to the powers of Commissioner under SGST to revise orders of subordinates?

Ans. Yes. The Commissioner shall not revise any order if

- (a) the order has been subject to an appeal under section 98 or under section 101 or under section 106 or under section 107

Q 16. Can the Tribunal condone delay in filing appeal before it beyond the period of 3 months? If so till what time?

Q 1. What is the meaning of Advance Ruling?

Ans. As per section 94 of Model CGST/SGST Law, 'advance ruling' means a written decision provided by the authority to an applicant on matters or on questions as enumerated in section 116(2) and 118(1) and appeals thereon

Q 2. Which are the matters enumerated in Section 97 for which advance ruling can be sought?

Ans. Advance Ruling can be sought for the following matters:

- (a) classification of any goods or services under the Act;
- (b) applicability of a notification issued under provisions of the Act having a bearing on the rate of tax;

- (g) whether any particular thing done by the applicant with respect to any goods or services amounts to or results in a supply of goods or services, within the meaning of that term.

Q 3. What is the objective of having a mechanism of Advance Ruling?

Ans. The broad objective for setting up such an authority is to:

- (i) provide certainty in tax liability in advance in relation to an activity proposed to be undertaken by the applicant;

- (iv) pronounce ruling expeditiously in transparent and inexpensive manner.

Q 4. What will be the composition of Authority for advance rulings (AAR) under GST?

Ans. 'Authority for advance ruling' (AAR) shall comprise one member CGST and one member SGST. They will be appointed by the Central and State government respectively. Their qualification and eligibility condition for appointment will be prescribed in the Model GST Rules. (Section 114).

Q 5. What is the Appellate authority for advance ruling (AAAR) and what would be its composition?

Ans. Appellate authority for advance ruling (AAAR) will hear appeal against advance ruling given by the AAR. (Section 115).

Q 6. How may AAR and AAAR will be constituted under GST?

Ans. There will be one AAR and AAAR for each State (sections 114 and 115).

Q 7. To whom will the Advance Ruling be applicable?

Ans. Section 121 provides that an advance ruling pronounced by AAR or AAAR shall be binding only on the applicant and on the jurisdictional tax authority of the applicant. This clearly means that an advance ruling is not applicable to similarly placed taxable persons in the State. It is only limited to the person who has applied for an advance ruling.

Q 8. What is the time period for applicability of Advance Ruling?

Ans. The law does not provide for a fixed time period for which the ruling shall apply. Instead, in section 121, it is provided that advance ruling shall be binding till the period when the law, facts or circumstances supporting the original advance ruling have changed.

Q 9. Can an advance ruling given be nullified?

Ans. Section 122 provides that an advance ruling shall be held to be ab initio void if the AAR or AAAR finds that the advance ruling was obtained by the applicant by fraud or suppression of material facts or misrepresentation of facts. In such a situation, all the provisions of the CGST/SGST Act shall apply to the applicant as if such advance ruling had never been made (but excluding the period when advance ruling was given and up to the period when the order declaring it to be void is issued). An order declaring advance ruling to be void can be passed only after hearing the applicant.

Q 10. What is the procedure for obtaining Advance Ruling?

Ans. Section 117 deals with procedure for obtaining advance ruling. Section 117 provides that the applicant desirous of obtaining advance ruling should make application to AAR in a prescribed form and manner. The format of the

form and the detailed procedure for making application will be prescribed in the Model GST Rules.

The AAR shall send a copy of application to the officer in whose jurisdiction the applicant falls and call for all relevant records. The AAR may then examine the application along with the records and may also hear the applicant. Thereafter he will pass an order either admitting or rejecting the application.

Q 11. Under what circumstances will the application for Advance Ruling be compulsorily rejected?

Ans. Application has to be invariably rejected in certain situations as prescribed under section 117 (2) which are enumerated as below:

- (a) if the question raised in the application is already pending in the applicant's case before any First Appellate Authority, the Appellate Tribunal or any Court;
- (b) if the question raised in the application is the same as in a matter already decided by the First Appellate Authority, the Appellate Tribunal or any Court;
- (c) if the question raised in the application is the same as in a matter already pending in any proceedings in the applicant's case under any of the provisions of the Act;
- (d) if the question raised in the application is the same as in a matter in the applicant's case already decided by the adjudicating authority or assessing authority, whichever is applicable.

If the application is rejected, it should be by way of a speaking order giving the reasons for rejection.

Q 12. What is the procedure to be followed by AAR once the application is admitted?

Ans. If the application is admitted, the AAR shall pronounce its ruling within ninety days of receipt of application. Before giving its ruling, it shall examine the application and any further material furnished by the applicant or by the concerned departmental officer.

Before giving the ruling, AAR must hear the applicant or his authorized representative as well as the jurisdictional officers of CGST/SGST.

Q 13. What happens if there is a difference of opinion amongst members of AAR?

Ans. If there is difference of opinion between the two members of AAR, they shall refer the point or points on which they differ to the AAAR for hearing the issue. If the members of AAAR are also unable to come to a common conclusion in regard to the point(s) referred to them by AAR, then it shall be deemed that no advance ruling can be given in respect of the question on which difference persists at the level of AAAR.

Q 14. What are the provisions for appeals against order of AAR?

Ans. The provisions of appeal before AAAR are dealt in section 118 and 119 of Model GST Law.

If the applicant is aggrieved with the finding of the AAR, he can file an appeal with AAAR. Similarly, if the prescribed or jurisdictional officer of CGST/SGST does not agree with the finding of AAR, he can also file an appeal with AAAR. The word prescribed officer of CGST/SGST means an officer who has been designated by the CGST/SGST administration in regard to an application for advance ruling. In normal circumstances, the concerned officer will be the officer in whose jurisdiction the applicant is located. In such cases the concerned officer will be the jurisdictional CGST/SGST officer.

Any appeal must be filed within thirty days from the receipt of the advance ruling. The appeal has to be in prescribed form and has to be verified in prescribed manner. This will be prescribed in the Model GST Rules.

The Appellate Authority must pass an order after hearing the parties to the appeal within a period of ninety days of the filing of an appeal. If members of AAAR differ on any point referred to in appeal, it shall be deemed that no advance ruling is issued in respect of the question under appeal.

Q 15. Can the AAR & AAAR order for rectification of mistakes in the ruling?

Ans. Yes. Section 120 of the Act gives power to AAR and AAAR to amend their order to rectify any mistake apparent from the record within a period of six months from the date of the order. Such mistake may be noticed by the authority on its own accord or may be brought to its notice by the applicant or the prescribed or the jurisdictional CGST/SGST officer. If a rectification has the effect of enhancing the tax liability or reducing the quantum of input tax credit, the applicant must be heard before the order is passed.

# INSPECTION, SEARCH, SEIZURE AND ARREST

## Inspection, Search, Seizure and Arrest

Q 1. What is the meaning of the term “Search”?

Ans. As per law dictionary and as noted in different judicial pronouncements, the term ‘search’, in simple language, denotes an action of a government machinery to go, look through or examine carefully a place, area, person, object etc. in order to find something concealed or for the purpose of discovering evidence of a crime. The search of a person or vehicle or premises etc. can only be done under proper and valid authority of law.

Q 2. What is the meaning of the term “Inspection”?

Ans. ‘Inspection’ is a new provision under the MGL. It is a softer provision than search to enable officers to access any place of business of a taxable person and also any place of business of a person engaged in transporting goods or who is an owner or an operator of a warehouse or godown.

Q 3. Who can order for carrying out “Inspection” and under what circumstances?

Ans. As per Section 79 of MGL, Inspection can be carried out by an officer of CGST/SGST only upon a written authorization given by an officer of the rank of Joint Commissioner or above. A Joint Commissioner or an officer higher in rank can give such authorization only if he has reasons to believe that the person concerned has done one of the following:

- (i) suppressed any transaction of supply;
- (ii) suppressed stock of goods in hand;
- (iii) claimed excess input tax credit;
- (iv) contravened any provision of the CGST/SGST Act to evade tax;
- (v) a transporter or warehouse owner has kept goods which have escaped payment of tax or has kept his accounts or goods in a manner that is likely to cause evasion of tax.

Q 4. Can the proper officer authorize Inspection of any assets/premises of any person under this Section?

Ans. No. Authorization can be given to an officer of CGST/SGST to carry out inspection of any of the following:

- (i) any place of business of a taxable person;
- (ii) any place of business of a person engaged in the business of transporting goods whether or not he is a registered taxable person;
- (iii) any place of business of an owner or an operator of a warehouse or godown.

Q 5. Who can order for Search and Seizure under the provisions of MGL?

Ans. An officer of the rank of Joint Commissioner or above can authorize an officer in writing to carry out search and seize goods, documents, books or things. Such authorization can be given only where the Joint Commissioner has

reasons to believe that any goods liable to confiscation or any documents or books or things relevant for any proceedings are hidden in any place.

Q 6. What is meant by 'reasons to believe'?

Ans. Reason to believe is to have knowledge of facts which, although not amounting to direct knowledge, would cause a reasonable person, knowing the same facts, to reasonably conclude the same thing. As per Section 26 of the IPC, 1860, "A person is said to have 'reason to believe' a thing, if he has sufficient cause to believe that thing but not otherwise." 'Reason to believe' contemplates an objective determination based on intelligent care and evaluation as distinguished from a purely subjective consideration. It has to be and must be that of an honest and reasonable person based on relevant material and circumstances.

Q 7. Is it mandatory that such 'reasons to believe' has to be recorded in writing by the proper officer, before issuing authorization for Inspection or Search and Seizure?

Ans. Although the officer is not required to state the reasons for such belief before issuing an authorization for search, he has to disclose the material on which his belief was formed. 'Reason to believe' need not be recorded invariably in each case. However, it would be better if the materials / information etc. are recorded before issue of search warrant or before conducting search.

Q 8. What is a Search Warrant and what are its contents?

Ans. The written authority to conduct search is generally called search warrant. The competent authority to issue search warrant is an officer of the rank of Joint Commissioner or above. A search warrant must indicate the existence of a reasonable belief leading to the search. Search Warrant should contain the following details:

- (i) the violation under the Act,
- (ii) the premise to be searched,
- (iii) the name and designation of the person authorized

for search,

- (iv) the name of the issuing officer with full designation along with his round seal,

Q 10. What powers can be exercised by an officer during valid search?

Ans. An officer carrying out a search has the power to search for and seize goods (which are liable to confiscation) and documents, books or things (relevant for any proceedings under MGL) from the premises searched. During search, the officer has the power to break open the door of the premises authorized to be searched if access to the same is denied. Similarly, while carrying out search within the premises, he can break open any almirah or box if access to such almirah or box is denied and in which any goods, account, registers or documents are suspected to be con-

sealed. He can also seal the premises if access to it denied.

Q 11. What is the procedure for conducting search?

Ans. Section 79(10) of MGL prescribes that searches must be carried out in accordance with the provisions of Code of Criminal Procedure, 1973. Section 100 of the Code of Criminal Procedure describes the procedure for search.

Q 12. What are the basic requirements to be observed during Search operations?

Ans. The following principles should be observed during Search:

- No search of premises should be carried out without a valid search warrant issued by the proper officer.
- There should invariably be a lady officer accompanying the search team to residence.
- The officers before starting the search should disclose their identity by showing their identity cards to the person in-charge of the premises.
- The search warrant should be executed before the start of the search by showing the same to the person in-charge of the premises and his signature should be taken on the body of the search warrant in token of having seen the same. The signatures of at least two witnesses should also be taken on the body of the search warrant.
- The search should be made in the presence of at least two independent witnesses of the locality. If no such inhabitants are available /willing, the inhabitants of any other locality should be asked to be witness to the search. The witnesses should be briefed about the purpose of the search.
- Before the start of the search proceedings, the team of officers conducting the search and the accompanying witnesses should offer themselves for their personal search to the person in-charge of the prem-

ises being searched. Similarly, after the completion of search all the officers and the witnesses should again offer themselves for their personal search.

- A Panchnama / Mahazar of the proceedings of the search should necessarily be prepared on the spot. A list of all goods, documents recovered and seized/detained should be prepared and annexed to the Panchnama/Mahazar. The Panchnama / Mahazar and the list of goods/ documents seized/detained should invariably be signed by the witnesses, the in-charge/ owner of the premises before whom the search is conducted and also by the officer(s) duly authorized for conducting the search.
- After the search is over, the search warrant duly executed should be returned in original to the issuing officer with a report regarding the outcome of the search. The names of the officers who participated in the search may also be written on the reverse of the search warrant.
- The issuing authority of search warrant should maintain register of records of search warrant issued and returned and used search warrants should be kept in records.
- A copy of the Panchnama / Mahazar along with its annexure should be given to the person in-charge/ owner of the premises being searched under acknowledgement.

Q 13. Can a CGST/SGST officer access business premises under any other circumstances?

Ans. Yes. Access can also be obtained in terms of Section 83 of MGL. This provision of law is meant to allow an audit party of CGST/SGST or C&AG or a cost accountant or chartered accountant nominated under section 50 of CGST/SGST Act, access to any business premises without issuance of a search warrant for the purposes of carrying out any audit, scrutiny, verification and checks as may

be necessary to safeguard the interest of revenue. However, a written authorization is to be issued by an officer of the rank of Additional/Joint Commissioner of CGST or SGST. This provision facilitates access to a business premise which is not registered by a taxable person as a principal or additional place of business but has books of accounts, documents, computers etc. which are required for audit or verification of accounts of a taxable person.

Q 14. When is search said to be illegal? Is evidence collected in the course of an illegal search admissible in trial proceedings?

Ans. Search without a valid search warrant (i.e. issued by other than a competent authority or without a search warrant) results in an illegal search without authority of law. However, due to this reason, the accused cannot get benefit. Accordingly, evidence collected even during an illegal search and seizure is considered admissible in trial and adjudication proceedings.

Q 15. What is meant by the term 'Seizure'?

Ans. The term 'seizure' has not been specifically defined in the Model GST Law. In Law Lexicon Dictionary, 'seizure' is defined as the act of taking possession of property by an officer under legal process. It generally implies taking possession forcibly contrary to the wishes of the owner of the property or who has the possession and who was unwilling to part with the possession.

Q 16. Does MGL have any power of detention of goods and conveyances?

Ans. Yes, under Section 89 of MGL, an officer has power to detain goods along with the conveyance (like a truck or other types of vehicle) transporting the goods. This can be done for such goods which are being transported or are stored in transit in violation of the provisions of MGL. Goods which are stored or are kept in stock but not accounted for can also be detained. Such goods and conveyance can be released after payment of applicable tax or

upon furnishing security of equivalent amount.

Q 17. What is the distinction in law between 'Seizure' and 'Detention'?

Ans. Denial of access to the owner of the property or the person who possesses the property at a particular point of time by a legal order/notice is called detention. Seizure is taking over of actual possession of the goods by the department. Detention order is issued when it is suspected that the goods are liable to confiscation. Seizure can be made only on the reasonable belief which is arrived at after inquiry/investigation that the goods are liable to confiscation.

Q 18. What are the safeguards provided in MGL in respect of Search or Seizure?

Ans. Certain safeguards are provided in section 79 of Model CGST/SGST Law in respect of the power of search or seizure. These are as follows:

- (i) Seized goods or documents should not be retained beyond the period necessary for their examination;
- (ii) Photocopies of the documents can be taken by the person from whose custody documents are seized;
- (iii) For seized goods, if a notice is not issued within sixty months of its seizure, goods shall be returned to the person from whose possession it was seized. This period of sixty months can be extended on justified grounds up to a maximum further period of six months;
- (iv) An inventory of seized goods shall be made by the seizing officer;
- (v) Certain categories of goods to be specified under Model GST Rules (such as perishable, hazardous etc.) can be disposed of immediately after seizure;
- (vi) Provisions of Code of Criminal Procedure 1973 relating to search and seizure shall apply. However, one important modification is in relation to

sub-section (5) of section 165 of Code of Criminal Procedure - instead of sending copies of any record made in course of search to the nearest Magistrate empowered to take cognizance of the offence, it has to be sent to the Principal Commissioner/ Commissioner of CGST/ Commissioner of SGST .

Q 19. Is there any special document required to be carried during transport of taxable goods?

Ans. Under section 80 of MGL, a person in charge of a transport vehicle may be required to carry a prescribed document in respect of such consignments whose value is more than fifty thousand rupees.

Q 20. What is meant by the term “arrest”?

Ans. The term ‘arrest’ has not been defined in the Model GST Law. However, as per judicial pronouncements, it denotes ‘the taking into custody of a person under some lawful command or authority’. In other words a person is said to be arrested when he is taken and restrained of his liberty by power or colour of lawful warrant.

Q 21. When can the proper officer authorize ‘arrest’ of any person under MGL? (Specified in clause (a),(b),(c),(d) or clause (e) of sub section (1) of Sec.92 and punishable under clause (i) and (ii) of Sub Sec. (1) or (2) of that Section. Sec 81(1))

Ans. The Commissioner of CGST/SGST can authorize a CGST/SGST officer to arrest a person if he has reasons to believe that the person has committed an offence attracting a punishment prescribed under section 73 (1)(i), 73 (1)(ii) and 73 (2) of the CGST/SGST Act. This essentially means that a person can be arrested only where the tax evasion is more than fifty lakhs rupees or where a person has earlier been convicted for an offence under section 73 of the Model CGST/SGST Act.

Q 22. What are the safeguards provided under MGL for a person who is placed under arrest?

Ans. There are certain safeguards provided under section 81 for a person who is placed under arrest. These are:

- (i) If a person is arrested for a cognizable offence, he must be informed in writing of the grounds of arrest and he must be produced before a magistrate within 24 hours of his arrest;
- (ii) If a person is arrested for a non-cognizable and bailable offence, the Deputy/ Assistant Commissioner of CGST/SGST can release him on bail and he will be subject to the same provisions as an officer incharge of a police station under section 436 of the Code of Criminal Procedure, 1973;
- (iii) All arrest must be in accordance with the provisions of the Code of Criminal Procedure, 1973 relating to arrest.

Q 23. What are the precautions to be taken during arrest?

Ans. The provisions of the Code of Criminal Procedure, 1973 (2 of 1974) relating to arrest and the procedure thereof must be adhered to. It is therefore necessary that all field officers of CGST/SGST be fully familiar with the provisions of the Code of Criminal Procedure, 1973.

One important provision to be taken note of is section 57 of Cr.P.C., 1973 which provides that a person arrested without warrant shall not be detained for a longer period than, under the circumstances of the case, is reasonable but this shall not exceed twenty four hours (excluding the journey time from place of arrest to the Magistrate's court). Within this period, as provided under section 56 of Cr.P.C., the person making the arrest shall send the person arrested without warrant before a Magistrate having jurisdiction in the case.

In a landmark judgment in the case of D.K. Basu v. State of West Bengal reported in 1997 (1) SCC 416, the Hon'ble Supreme Court has laid down specific guidelines required to be followed while making arrests. While this is in relation to police, it needs to be followed by all departments having power of arrest. These are as under:

- (i) The police personnel carrying out the arrest and handling the interrogation of the arrestee should bear ac-

curate, visible and clear identification and name tags with their designations. The particulars of all such police personnel who handle interrogation of the arrestee must be recorded in a register.

- (ii) The police officer carrying out the arrest shall prepare a memo of arrest at the time of arrest and such memo shall be attested by at least one witness, who may be either a member of the family of the arrestee or a respectable person of the locality from where the arrest is made. It shall also be counter signed by the arrestee and shall contain the time and date of arrest.
- (iii) A person who has been arrested or detained and is being held in custody in a police station or interrogation center or other lock up, shall be entitled to have one friend or relative or other person known to him or having interest in his welfare being informed, as soon as practicable, that he has been arrested and is being detained at the particular place, unless the attesting witness of the memo of arrest is himself such a friend or a relative of the arrestee.
- (iv) The time, place of arrest and venue of custody of an arrestee must be notified by the police where the next friend or relative of the arrestee lives outside the district or town through the Legal Aid Organization in the District and the police station of the area concerned telegraphically within a period of 8 to 12 hours after the arrest.
- (v) An entry must be made in the diary at the place of detention regarding the arrest of the person which shall also disclose the name of the next friend of the person who has been informed of the arrest and the names and particulars of the police officials in whose custody the arrestee is.
- (vi) The arrestee should, where he so requests, be also examined at the time of his arrest and major and minor injuries, if any present on his/her body, must be recorded at that time. The 'Inspection Memo' must be

signed both by the arrestee and the police officer effecting the arrest and its copy provided to the arrestee.

- (vii) The arrestee should be subjected to medical examination by the trained doctor every 48 hours during his detention in custody by a doctor on the panel of approved doctors appointed by Director, Health Services of the concerned State or Union Territory, Director, Health Services should prepare such a panel for all Tehsils and Districts as well.
- (viii) Copies of all the documents including the memo of arrest, referred to above, should be sent to the Magistrate for his record.
- (ix) The arrestee may be permitted to meet his lawyer during interrogation, though not throughout the interrogation.
- (x) A police control room should be provided at all district and State headquarters where information regarding the arrest and the place of custody of the arrestee shall be communicated by the officer causing the arrest, within 12 hours of effecting the arrest and at the police control room it should be displayed on a conspicuous notice board.

Q 24. What are the broad guidelines for arrest followed in CBEC?

Ans. Decision to arrest needs to be taken on case-to-case basis considering various factors, such as, nature and gravity of offence, quantum of duty evaded or credit wrongfully availed, nature and quality of evidence, possibility of evidences being tampered with or witnesses being influenced, cooperation with the investigation, etc. Power to arrest has to be exercised after careful consideration of the facts of the case which may include:

- (i) to ensure proper investigation of the offence;
- (ii) to prevent such person from absconding;
- (iii) cases involving organized smuggling of goods or eva-

sion of customs duty by way of concealment;

- (iv) master minds or key operators effecting proxy/ be-nami imports/exports in the name of dummy or non-existent persons/IECs, etc;
- (v) where the intent to evade duty is evident and element of mensrea/guilty mind is palpable;
- (vi) prevention of the possibility of tampering with evidence;
- (vii) intimidating or influencing witnesses; and
- (viii) large amounts of evasion of duty or service tax at least exceeding one crore rupees.

Q 25. What is a cognizable offence?

Ans. Generally, cognizable offence means serious category of offences in respect of which a police officer has the authority to make an arrest without a warrant and to start an investigation with or without the permission of a court.

Q 26. What is a non-cognizable offence?

Ans. Non-cognizable offence means relatively less serious offences in respect of which a police officer does not have the authority to make an arrest without a warrant and an investigation cannot be initiated without a court order.

Q 27. What are cognizable and non-cognizable offences under MGL?

Ans. In section 92 (4) of MGL, it is provided that the offences relating to taxable goods and /or services where the amount of tax evaded exceeds Rs. 1 crore, shall be cognizable and non-bailable. Other offences under the act are non-cognizable and bailable.

Q 28. When can the proper officer issue summons under MGL?

Ans. Section 82 of MGL gives powers to a duly authorized CGST/SGST officer to call upon a person by issuing a summon to present himself before the officer issuing the summon to either give evidence or produce a document

or any other thing in any inquiry which an officer is making. A summons to produce documents or other things may be for the production of certain specified documents or things or for the production of all documents or things of a certain description in the possession or under the control of the person summoned.

Q 29. What are the responsibilities of the person so summoned?

Ans. A person who is issued summon is legally bound to attend either in person or by an authorized representative and he is bound to state the truth before the officer who has issued the summon upon any subject which is the subject matter of examination and to produce such documents and other things as may be required.

Q 30. What can be the consequences of non- appearance to summons?

Ans. The proceeding before the official who has issued summons is deemed to be a judicial proceeding. If a person does not appear on the date when summoned without any reasonable justification, he can be prosecuted under section 174 of the Indian Penal Code (IPC). If he absconds to avoid service of summons, he can be prosecuted under section 172 of the IPC and in case he does not produce the documents or electronic records required to be produced, he can be prosecuted under section 175 of the IPC. In case he gives false evidence, he can be prosecuted under section 193 of the IPC. In addition, if a person does not appear before a CGST/ SGST officer who has issued the summon, he is liable to a penalty upto twenty five thousand rupees under section 66(3)(d) of MGL.

Q 31. What are the guidelines for issue of summons?

Ans. The Central Board of Excise and Customs (CBEC) in the Department of Revenue, Ministry of Finance has issued guidelines from time to time to ensure that summons provisions are not misused in the field. Some of the important highlights of these guidelines are given below:

- i. summons are to be issued as a last resort where assess-

es are not co-operating and this section should not be used for the top management;

- ii. the language of the summons should not be harsh and legal which causes unnecessary mental stress and embarrassment to the receiver;
- iii. summons by Superintendents should be issued after obtaining prior written permission from an officer not below the rank of Assistant Commissioner with the reasons for issuance of summons to be recorded in writing;
- iv. where for operational reasons, it is not possible to obtain such prior written permission, oral/ telephonic permission from such officer must be obtained and the same should be reduced to writing and intimated to the officer according such permission at the earliest opportunity;
- v. in all cases, where summons are issued, the officer issuing summons should submit a report or should record a brief of the proceedings in the case file and submit the same to the officer who had authorized the issuance of summons;

They should be summoned only when there are indications in the investigation of their involvement in the decision making process which led to loss of revenue.

Q 32. What are the precautions to be observed while issuing summons?

Ans. The following precautions should generally be observed when summoning a person:-

- (i) A summon should not be issued for appearance where it is not justified. The power to summon can be exercised only when there is an inquiry being undertaken

and the attendance of the person is considered necessary.

- (ii) Normally, summons should not be issued repeatedly. As far as practicable, the statement of the accused or witness should be recorded in minimum number of appearances.
- (iii) Respect the time of appearance given in the summons. No person should be made to wait for long hours before his statement is recorded except when it has been decided very consciously as a matter of strategy.
- (iv) Preferably, statements should be recorded during office hours; however an exception could be made regarding time and place of recording statement having regard to the facts in the case.

Q 33. Are there any class of officers who are required to assist CGST/SGST officers?

- the provisions of the law under which the penalty has been imposed is to be specified.

Section 87 further specifies that, in particular, no substantial penalty is to be imposed for –

Ans. Yes. No person shall be prosecuted for any offence without the prior sanction of the designated authority.

Q 20. Is 'mensrea' or culpable mental state necessary for prosecution under MGL?

Ans. Yes. However, Section 94 presumes the existence of a state of mind (i.e. "culpable mental state" or mensrea) required to commit an offence if it cannot be committed without such a state of mind

Q 21. What is a culpable state of mind?

Ans. While committing an act, a "culpable mental state" is a state of mind wherein-

- the act is intentional;
- the act and its implications are understood and controllable;
- the person committing the act was not coerced and even overcomes hurdles to the act committed;
- the person believes or has reasons to believe that the act is contrary to law.

Q 22. Can a company be proceeded against or prosecuted for any offence under the MGL?

Ans. Yes. Section 96 of the MGL provides that every person who was in-charge of or responsible to a company for the conduct of its business shall, along-with the company itself, be liable to be proceeded against and punished for an offence committed by the company while such person was in-charge of the affairs of the company. If any offence committed by the company –

- has been committed with the consent/ connivance of, or
- is attributable to negligence of any officer of the company then such officer shall be deemed to be guilty of the said offence and liable to be proceeded against and punished accordingly.

Q 23. What is meant by compounding of offences?

Ans. Section 320 of the Code of Criminal Procedure defines “compounding” as to forbear from prosecution for consideration or any private motive.

Q 24. Can offences under MGL be compounded?

Ans. Yes. As per section 97 of the MGL, any offence, other than the following, may upon payment of the prescribed (compounding) amount be compounded and such compounding is permissible either before or after the institution of prosecution:

- Offences numbered 1 to 7 of the 12 major offences (outlined in Q. 16 above), if the person charged with

the offence had compounded earlier in respect of any of the said offences;

- Aiding/abetting offences numbered 1 to 7 of the 12 major offences, if the person charged with the offence had compounded earlier in respect of any of the said offences;
- Any offence (other than the above offences) under any SGST Act/IGST Act in respect of a supply with value exceeding Rs.1 crore, if the person charged with the offence had compounded earlier in respect of any of the said offences;
- Any offence which is also an offence under NDPSA or FEMA or any other Act other than CGST/SGST;
- Any other class of offences or persons that may be prescribed in this behalf.

Compounding is to be permitted only after payment of tax, interest and penalty and compounding shall not affect any proceeding already instituted under any other law.

Q 25. Are there any monetary limits prescribed for compounding of offence?

Ans. Yes. The lower limit for compounding amount is to be the greater of the following amounts:- 50% of tax involved, or Rs.10,000.

The upper limit for compounding amount is to be greater of the following amounts:-

- 150% of tax involved or
- Rs.30,000.

Q 26. What is the consequence of compounding of an offence under MGL?

Ans. Sub-section (3) of section 97 provides that on payment of compounding amount no further proceeding to be initiated under this Act and criminal proceeding already initiated shall stand abated.

# OVERVIEW OF THE IGST ACT

## Overview of the IGST Act

Q 1. What is IGST?

Ans. “Integrated Goods and Services Tax” (IGST) means tax levied under the IGST Act on the supply of any goods and/ or services in the course of inter-State trade or commerce.

Q 2. What are inter-state supplies?

Ans. A supply of goods and/or services in the course of inter-State trade or commerce means any supply where the location of the supplier and the place of supply are in different States. (Section 3(1) and 3(2) of the IGST Act)

Q 3. How will the Inter-State supplies of Goods and Services be taxed under GST?

Ans. IGST shall be levied and collected by Centre on inter-state supplies. IGST would be broadly CGST plus SGST and shall be levied on all inter-State taxable supplies of goods and services. The inter-State seller will pay IGST on value addition after adjusting available credit of IGST, CGST,

and SGST on his purchases. The Exporting State will transfer to the Centre the credit of SGST used in payment of IGST. The Importing dealer will claim credit of IGST while discharging his output tax liability in his own State. The Centre will transfer to the importing State the credit of IGST used in payment of SGST. The relevant information is also submitted to the Central Agency which will act as a clearing house mechanism, verify the claims and inform the respective governments to transfer the funds.

Q 4. What are the salient features of the draft IGST Law?

Ans. The draft IGST law contains 24 sections divided into 11 Chapters. The draft, inter alia, sets out the rules for determination of the place of supply of goods. Where the supply involves movement of goods, the place of supply shall be the location of goods at the time at which the movement of goods terminates for delivery to the recipient. Where the supply does not involve movement of goods, the place of supply shall be the location of such goods at the time of delivery to the recipient. In the case of goods assembled or installed at site, the place of supply shall be the place of such installation or assembly. Finally, where the goods are supplied on board a conveyance, the place of supply shall be the location at which such goods are taken on board.

Q 5. What are the advantages of IGST Model?

Ans. The major advantages of IGST Model are:

- a. Maintenance of uninterrupted ITC chain on inter-State transactions;
- b. No upfront payment of tax or substantial blockage of funds for the inter-State seller or buyer;
- c. No refund claim in exporting State, as ITC is used up while paying the tax;
- d. Self-monitoring model;
- e. Ensures tax neutrality while keeping the tax regime simple;

- f. Simple accounting with no additional compliance burden on the taxpayer;
- g. Would facilitate in ensuring high level of compliance and thus higher collection efficiency. Model can handle 'Business to Business' as well as 'Business to Consumer' transactions.

Q 6. How will imports/exports be taxed under GST?

Ans. All imports/exports will be deemed as inter-state supplies for the purposes of levy of GST (IGST). The incidence of tax will follow the destination principle and the tax revenue in case of SGST will accrue to the State where the imported goods and services are consumed. Full and complete set-off will be available as ITC of the IGST paid on import on goods and services

Q 7. IGST Act is very small with very few definitions and major part catering to settlement commissioner. Whether provisions in CGST or SGST Act will apply to IGST Act?

Ans. Yes, Section 17 of the IGST Act provides that various provisions as mentioned therein shall apply under IGST Act as they apply in relation to levy under the CGST Act.

Q 8. How will the IGST be paid?

Ans. The IGST payment can be done utilizing ITC or by cash. However, the use of ITC for payment of IGST will be done using the following hierarchy,-

First available ITC of IGST shall be used for payment of IGST;

Once ITC of IGST is exhausted, the ITC of CGST shall be used for payment of IGST;

If both ITC of IGST and ITC of CGST are exhausted, then only the dealer would be permitted to use ITC of SGST for payment of IGST.

Remaining IGST liability, if any, shall be discharged using payment in cash. GST System will ensure maintenance of this hierarchy for payment of IGST using the credit.

Q 9. How will the settlement between Centre, exporting state and importing state be done?

Ans. There would be settlement of account between the centre and the states on two counts, which are as follows-

- Centre and the exporting state: The exporting state shall pay the amount equal to the ITC of SGST used by the supplier in the exporting state to the Centre.
- Centre and the importing state: The centre shall pay the amount equal to the ITC of IGST used by a dealer for payment of SGST on intra- state supplies.

The settlement would be on cumulative basis for a state taking into account the details furnished by all the dealer in the settlement period. Similar settlement of amount would also be undertaken between CGST and IGST account.

# PLACE OF SUPPLY OF GOODS AND SERVICE

## Place of Supply of Goods and Service

Q 1. What is the need for the Place of Supply of Goods and Services under GST?

Ans. The basic principle of GST is that it should effectively tax the consumption of such supplies at the destination thereof or as the case may be at the point of consumption. So place of supply provision determines the place i.e. taxable jurisdiction where the tax should reach. The place of supply determines whether a transaction is intra-state or inter-state. In other words, the place of Supply of Goods is required to determine whether a supply is subject to SGST plus CGST in a given State or else would attract IGST if it is an inter-state supply.

Q 2. Why are place of supply provisions different in respect of goods and services?

Ans. Goods being tangible do not pose any significant problems for determination of their place of consumption. Services being intangible pose problems w.r.t determination of place of supply mainly due to following factors:

- (i) The manner of delivery of service could be altered easily. For example telecom service could change from mostly post-paid to mostly pre-paid; billing address could be changed, billers address could be changed, repair or maintenance of software could be changed from onsite to online; banking services were earlier required customer to go to the bank, now the customer could avail service from anywhere;
- (ii) Service provider, service receiver and the service provided may not be ascertainable or may easily be suppressed as nothing tangible moves and there would hardly be a trail;
- (iii) For supplying a service, a fixed location of service provider is not mandatory and even the service recipient may receive service while on the move. The location of billing could be changed overnight;
- (iv) Sometime the same element may flow to more than one location, for example, construction or other services in respect of a railway line, a national highway or a bridge on a river which originate in one state and end in the other state. Similarly a copy right for distribution and exhibition of film could be assigned for many states in single transaction or an advertisement or a programme is broadcasted across the country at the same time. An airline may issue seasonal tickets, containing say 10 leafs which could be used for travel between any two location in the country. The card issued by Delhi metro could be used by a person located in Noida, or Delhi or Faridabad, without the Delhi metro being able to distinguish the location or journeys at the time of receipt of payment;
- (v) Services are continuously evolving and would thus continue to pose newer challenges. For example 15-20 years back no one could have thought of DTH, online information, online banking, online booking of tickets, internet, mobile telecommunication etc.

Q 3. What proxies or assumptions in a transaction can be used to determine the place of supply?

Ans. The various element involved in a transaction in services can be used as proxies to determine the place of supply. An assumption or proxy which gives more appropriate result than others for determining the place of supply, could be used for determining the place of supply. The same are discussed below:

- (a) location of service provider;
- (b) the location of service receiver;
- (c) the place where the activity takes place/ place of performance;
- (d) the place where it is consumed; and
- (e) the place/person to which actual benefit flows

Q 4. What is the need to have separate rules for place of supply in respect of B2B (supplies to registered persons) and B2C (supplies to unregistered persons) transactions?

Ans. In respect of B2B transactions, the taxes paid are taken as credit by the recipient so such transactions are just pass through. GST collected on B2 B supplies effectively create a liability for the government and an asset for the recipient of such supplies in as much as the recipient is entitled to use the input tax credit for payment of future taxes. For B2B transactions the location of recipient takes care in almost all situations as further credit is to be taken by recipient. The recipient usually further supplies to another customer. The supply is consumed only when a B2B transaction is further converted into B2C transaction. In respect of B2C transactions, the supply is finally consumed and the taxes paid actually come to the government.

Q 5. What would be the place of supply where goods are removed?

Ans. The place of supply of goods shall be the location of the goods at the time at which the movement of goods termi-

nates for delivery to the recipient. (Section 7(2) of IGST Act)

Q 6. What will be the place of supply if the goods are delivered by the supplier to a person on the direction of a third person?

Ans. It would be deemed that the third person has received the goods and the place of supply of such goods shall be the principal place of business of such person. (Section 5(3) of IGST Act)

Q 7. What will be the place of supply where the goods or services are supplied on board a conveyance, such as a vessel, an aircraft, a train or a motor vehicle?

Ans. In respect of goods, the place of supply shall be the location at which such goods are taken on board. (Section 5(6) of IGST Act)

However, in respect of services, the place of supply shall be the location of the first scheduled point of departure of that conveyance for the journey. (Section 9(11) of IGST Act)

Q 8. What is the default presumption for place of supply in respect of B2B supply of services?

Ans. The terms used in the IGST Act are registered taxpayers and non-registered taxpayers. The presumption in case of supplies to registered person is the location of such person. Since the recipient is registered, address of recipient is always there and the same can be taken as proxy for place of supply.

Q 9. What is the default presumption for place of supply in respect of unregistered recipients?

Ans. In respect of unregistered recipients, the usual place of supply is location of recipient. However in many cases, the address of recipient is not available, in such cases, location of the supplier of services is taken as proxy for place of supply.

Q 10. The place of supply in relation to immovable property is the location of immovable property. Suppose a road is constructed from Delhi to Mumbai covering multiple states. What will be the place of supply?

Ans. Where the immovable property is located in more than one State, the supply of service shall be treated as made in each of the States in proportion to the value for services separately collected or determined, in terms of the contract or agreement entered into in this regard or, in the absence of such contract or agreement, on such other reasonable basis as may be prescribed in this behalf. (The Explanation clause to section 9(4) of the IGST Act)

Q 11. What would be the place of supply of services provided for organizing an event, say, IPL cricket series which is held in multiple states?

Ans. In case of an event, if the recipient of service is registered, the place of supply of services for organizing the event shall be the location of such person.

However, if the recipient is not registered, the place of supply shall be the place where event is held. Since the event is being held in multiple states and a consolidated amount is charges for such services, the place of supply shall be taken as being in each state in proportion to the value of services so provided in each state. (The Explanation clause to section 9 (8) of the IGST Act)

Q 12. What will be the place of supply of services in respect of transport of goods by courier?

Ans. In case the recipient is registered, the location of such person shall be the place of supply.

However, if the recipient is not registered, the place of supply shall be the place where the goods are handed over for transportation.

Q 13. What will be the place of supply if a person travels from Mumbai to Delhi and back to Mumbai?

Ans. If the person is registered, the place of supply shall be the

location of recipient. If the person is not registered, the place of supply for the forward journey from Mumbai to Delhi shall be Mumbai, the place where he embarks.

However, for the return journey, the place of supply shall be Delhi as the return journey has to be treated as separate journey. (The Explanation clause to section \*9(11) of the IGST Act)

Q 14. Suppose a ticket/ pass for anywhere travel in India is issued by M/s Air India to a person. What will be the place of supply?

Ans. In the above case, the place of embarkation will not be available at the time of issue of invoice as the right to passage is for future use. Accordingly, place of supply cannot be the place of embarkation. In such cases, the default rule sec 9(2)&(3) shall apply. (The proviso clause to section 9(10) (b) of the IGST Act)

Q 15. What will be the place of supply for mobile connection? Can it be the location of supplier?

Ans. The location of supplier of mobile services cannot be the place of supply as the mobile companies are providing services in multiple states and many of these services are inter-state. The consumption principle will be broken if the location of supplier is taken as place of supply and all the revenue may go to a few states where the suppliers are located.

The place of supply for mobile connection would depend on whether the connection is on postpaid or prepaid basis. In case of postpaid connections, the place of supply shall be the location of billing address of the recipient of service.

In case of pre-paid connections, the place of supply shall be the place where payment for such connection is received or such pre-paid vouchers are sold. However if the recharge is done through internet/e-payment, the location of recipient of service on record shall be the taken as the place of service.

Q 16. A person in Goa buys shares from a broker in Delhi on NSE (in Mumbai). What will be the place of supply?

Ans. The place of supply shall be the location of the recipient of services on the records of the supplier of services. So Goa shall be the place of supply.

Q 17. A person from Mumbai goes to Kullu-Manali and takes some services from ICICI Bank in Manali. What will be the place of supply?

Ans. If the location of the recipient of services on the records of the supplier of services, is Mumbai, then it will be Mumbai. If the location of the recipient of services is not on the records of the supplier, the place of supply shall be Kullu i.e. the location of the supplier of services

Q 18. A person from Gurgaon travels by Air India flight from Mumbai to Delhi and gets his travel insurance done in Mumbai. What will be the place of supply?

Ans. The location of the recipient of services on the records of the supplier of insurance services shall be the place of supply. So Gurgaon shall be the place of supply.

# FRONTEND BUSINESS PROCESS ON GST PORTAL

## Frontend Business Process on GST Portal

Q 1. What is GSTN?

Ans. The scheme of punishment provided in section 73(1) is as follows:

<i>Offence involving--</i>	<i>Punishment (Imprisonment extending to--)</i>
<i>Tax evaded exceeding Rs.250 lakh</i>	<i>5 years and fine</i>
<i>Tax evaded between Rs.50 lakh and Rs.250 lakh</i>	<i>3 years and fine</i>

Goods and Services Tax Network (GSTN) is a non-profit non-government company, which will provide shared IT infrastructure and service to both central and state governments including tax payers and other stakeholders. The Frontend services of registration, Returns and pay-

ments to all taxpayers will be provided by GSTN. It will be the interface between the government and the taxpayers.

Q 2. What is the genesis of GSTN?

Ans. The GST System Project is a unique and complex IT initiative. It is unique as it seeks, for the first time to establish a uniform interface for the tax payer and a common and shared IT infrastructure between the Centre and States. Currently, the Centre and State indirect tax administrations work under different laws, regulations, procedures and formats and consequently the IT systems work as independent sites. Integrating them for GST implementation would be complex since it would involve integrating the entire indirect tax ecosystem so as to bring all the tax administrations (Centre, State and Union Territories) to the same level of IT maturity with uniform formats and interfaces for taxpayers and other external stakeholders. Besides, GST being a destination based tax, the inter-state trade of goods and services (IGST) would need a robust settlement mechanism amongst the States and the Centre. This is possible only when there is a strong IT Infrastructure and Service back bone which enables capture, processing and exchange of information amongst the stakeholders (including taxpayers, States and Central Government, Bank and RBI)

This aspect was discussed in the 4th meeting of 2010 of the Empowered Committee of State Finance Ministers held on 21/7/2010. In the said meeting the EC approved creation of an 'Empowered Group on IT Infrastructure for GST' (referred as EG) under the chairmanship of Dr. Nandan Nilekani along with Additional Secretary (Rev), Member (B&C) CBEC, DG (Systems), CBEC, FA Ministry of Finance, Member Secretary EC and five state commissioners of Trade Taxes (Maharashtra, Assam, Karnataka, West Bengal and Gujarat). The Group was mandated to suggest, inter alia, the modalities for setting up a National Information Utility (NIU/ SPV) for implementing the Common Portal to be called GST Network (GSTN) and recommend the structure and terms of reference for the

NIU/ SPV, detailed implementation strategy and the road map for its creation in addition to other items like training, outreach etc.

In March 2010, TAGUP constituted by the Ministry of Finance had recommended that National Information Utilities should be set up as private companies with a public purpose for implementation of large and complex Government IT projects including GST. Mandate of TAGUP was to examine the technological and systemic issues relating to the various IT projects such as GST, TIN, NPS, etc.

The EG had seven meetings between 2nd August 2010 and 8th August 2011 to discuss the modalities. After due deliberations, the EG recommended creation of a Special Purpose Vehicle for implementing the GST System Project. To enable efficient and reliable provision of services in a demanding environment, the EG recommended a non- Government structure for the GSTN SPV with Government equity of 49% (Centre - 24.5% and States - 24.5%) after considering key parameters such as independence of management, strategic control of Government, flexibility in organizational structure, agility in decision making and ability to hire and retain competent human resources.

In view of the sensitivity of the role of GSTN and the information that would be available with it, the EG also considered the issue of strategic control of Government over GSTN. The Group recommended that strategic control of the Government over the SPV should be ensured through measures such as composition of the Board, mechanisms of Special Resolution and Shareholders Agreement, induction of Government officers on deputation, and agreements between GSTN SPV and Governments. Also, the shareholding pattern would ensure that the Centre individually and States collectively are the largest stakeholders at 24.5% each. In combination, the Government shareholding at 49% would far exceed that of any single private institution.

EG also brought out the need to have technology specification to run this company so that there is 100 percent matching of returns. The business knowledge resides with the officials of Government of India and States. However, professionals with sophisticated technology knowledge will be required to run this company independently, similar to NSDL which is working professionally and independently. EG also recommended a non-government company as that will have operational freedom.

These recommendations were presented before the Empowered Committee of State Finance Ministers in its 3rd meeting of 2011 held on 19th August 2011 and in the 4th meeting of 2011 of the EC held on 14th Oct 2011. The proposal of the EG on IT infrastructure for GST regarding GSTN and formation of a non-profit section 25 company with the strategic control with the Government were approved by the Empowered Committee of State Finance Ministers (EC) in its meeting held on 14.10.11.

The note of Department of Revenue for setting up a Special Purpose Vehicle to be called Goods and Services Tax Network on the lines mentioned above was considered by the Union Cabinet on 12th April 2012 and approved. The Union cabinet also approved the following:

- i. Suitable and willing non-government institutions will be identified and firmed up by the Ministry of Finance to invest in GSTN-SPV prior to its incorporation.
- ii. The strategic control of the Government over the SPV would be ensured through measures such as composition of the Board, mechanisms of Special Resolution and Shareholders Agreement, induction of Government officers on deputation, and agreements between GSTN SPV and Governments.
- iii. The Board of Directors of GSTN SPV would comprise 14 Directors with 3 Directors from the Centre, 3 from the States, a Chairman of the Board of Directors appointed through a joint approval mechanism of Centre and States, 3

Directors from private equity stake holders, 3 independent Directors who would be persons of eminence and a CEO of the GSTN SPV selected through an open selection process.

- iv. Relaxation in relevant rules to enable deputation of Government officers to the GSTN SPV for exercise of strategic control and for bringing in necessary domain expertise.
- v. GSTN SPV would have a self- sustaining revenue model, where it would be able to levy user charges on the tax payers and the tax authorities availing services.
- vi. GSTN SPV to be the exclusive national agency responsible for delivering integrated indirect Tax related services involving multiple tax authorities. Accordingly, any other service provider seeking to deliver similar integrated services would be required to enter into a formal arrangement with GSTN SPV for the services.
- vii. A one- time non-recurring Grant- in aid of Rs.315 crore from the Central Government towards expenditure for the initial setting up and functioning of the SPV for a three year period after incorporation.

In compliance of the Cabinet decision, GST Network was registered as a not-for-profit, private limited company under section 25 of the Companies Act, 1956 with the following equity structure:

<i>Central Govt</i>	<i>24.5%</i>
<i>State Govts</i>	<i>24.5%</i>
<i>HDFC</i>	<i>10%</i>
<i>HDFC Bank</i>	<i>10%</i>
<i>ICICI Bank</i>	<i>10%</i>
<i>NSE Strategic Investment Co</i>	<i>10%</i>
<i>LIC Housing Finance Ltd</i>	<i>11%</i>

The GSTN in its current form was created after taking after approval of Empowered Committee of State Finance Ministers and Union Government after due deliberations over a long period of time.

Q 3. What services will be rendered by GSTN?

Ans. GSTN will render the following services through the Common GST Portal:

- (a) Registration (including existing taxpayer master migration and issue of PAN based registration number);
- (b) Payment management including payment gateways and integration with banking systems;
- (c) Return filing and processing;
- (d) Taxpayer management, including account management, notifications, information, and status tracking;
- (e) Tax authority account and ledger Management;
- (f) Computation of settlement (including IGST settlement) between the Centre and States; Clearing house for IGST;
- (g) Processing and reconciliation of GST on import and integration with EDI systems of Customs;
- (h) MIS including need based information and business intelligence;
- (i) Maintenance of interfaces between the Common GST Portal and tax administration systems; (j) Provide training to stakeholders;
- (k) Provide Analytics and Business Intelligence to tax authorities; and
- (l) Carry out research, study best practices and provide training to the stakeholders.

Q 4. What is the interface system between GSTN and the states/CBEC?

Ans. In GST regime, while taxpayer facing core services of applying for registration, uploading of invoices, filing of

return, making tax payments shall be hosted by GST System, all the statutory functions (such as approval of registration, assessment of return, conducting investigation and audit etc.) shall be conducted by the tax authorities of States and Central governments.

Thus, the frontend shall be provided by GSTN and the backend modules shall be developed by states and Central Government themselves. However 24 states (termed as Model 2 states) have asked GSTN to develop their backend modules also. The CBEC and rest of the states (Model 1) have decided to develop and host the back-end modules themselves.

Q 5. What will be the role of GSTN in registration?

Ans. The application for Registration will be made Online on GST Portal.

Some of the key data like PAN, Business Constitution, Aadhaar, CIN/DIN etc. (as applicable) will be validated online against respective agency i.e. CBDT, UID, MCA etc, thereby ensuring minimum documentation.

The application data, supporting scanned documents shall be sent by GSTN to states/ Centre which in turn shall send the query, if any, approval or rejection intimation and digitally signed registration to GSTN for eventual download by the taxpayer.

Q 6. What is the role of Infosys in GSTN?

Ans. GSTN has engaged M/S Infosys as a single Managed Service Provider (MSP) for the design, development, deployment of GST system, including all application software, tools and Infrastructure and operate & maintain the same for a period of 5 years from Go-Live.

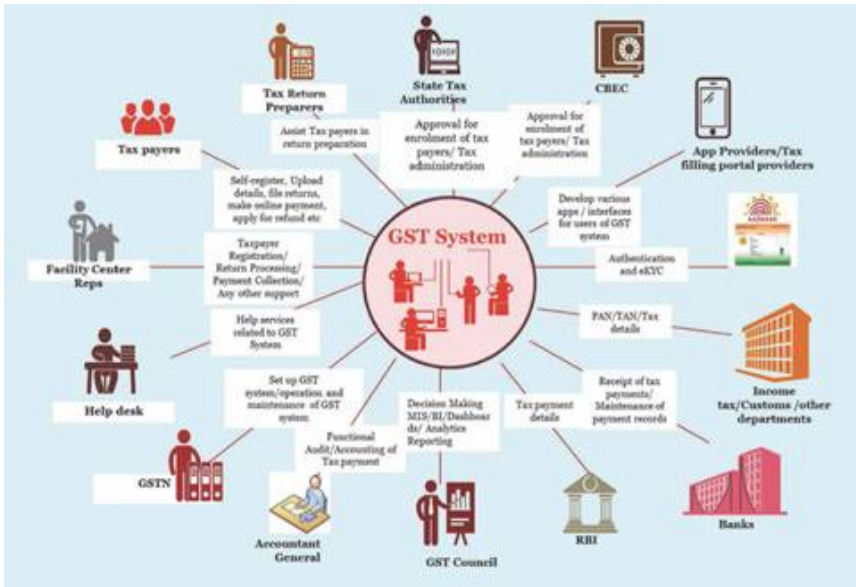

Q 7. What are the basic features of GST common portal?

Ans. The GST portal shall be accessible over Internet (by Taxpayers and their CAs/Tax Advocates etc.) and Intranet by Tax Officials etc. The portal shall be one single common portal for all GST related services e.g.-

- i. Tax payer registration (New, surrender, cancelation, etc.);
- ii. Invoices upload, auto-drafting of Purchase register of buyer Periodic GST Returns filing;
- iii. Tax payment including integration with agency banks;
- iv. ITC and Cash Ledger and Liability Register;
- v. MIS reporting for tax payers, tax officials and other stakeholders;
- vi. BI/Analytics for Tax officials.

Q 8. What is the concept of GST Eco-system?

Ans. A common GST system will provide linkage to all State/ UT Commercial Tax departments, Central Tax authorities, Taxpayers, Banks and other stakeholders. The eco-system consists of all stakeholders starting from taxpayer to tax professional to tax officials to GST portal to Banks to accounting authorities. The diagram given below depicts the whole GST eco-system.

Q 9. What is GSP (GST Suvidha Provider)?

Ans. The GST System is being developed by Infosys, the Managed Service Provider (MSP). The work consists of development of GST Core System, provisioning of required IT infrastructure to host the GST System and running and operating the system for five years.

The proposed GST envisages all filings by taxpayers electronically. To achieve this, the taxpayer will need tools for uploading invoice information, matching of input tax credit (ITC) claims, creation of party-wise ledgers, uploading of returns, payment of taxes, signing of such document with digital signature etc.

The GST System will have a G2B portal for taxpayers to access the GST Systems, however, that would not be the only way for interacting with the GST system as the taxpayer via his choice of third party applications, which will provide all user interfaces and convenience via desktop, mobile, other interfaces, will be able to interact with the GST system. The third party applications will connect with GST system via secure GST system APIs. All such applications are expected to be developed by third party service providers who have been given a generic name, GST Suvidha Provider or GSP.

Taxpayers will interface with GST System via GST system portal or via GSP ecosystem provided by way of applications for activities such as Registration, Tax payments, Returns filing and other information exchange with GST core system. The GSPs will become the user agencies of the GST system APIs and build applications and web portals as alternate interface for the taxpayers.

Q 10. What will be the role of GST Suvidha Providers?

Ans. The GSP developed Apps will connect with the GST system via secure GST system APIs. Some of the functions of GSP are:

Development of various apps / interfaces for taxpayer, TRPs of GST system

Providing other value added services to the taxpayers

The GST Suvidha Providers (GSPs) are envisaged to provide innovative and convenient methods to taxpayers and other stakeholders in interacting with the GST Systems from registration of entity to uploading of invoice details to filing of returns. Thus there will be two sets of interactions, one between the App user and the GSP and the second between the GSP and the GST System.

Q 11. What are the benefits to taxpayers in using the GSPs?

Ans. A GSP providing tax accounting software will have the advantage of already providing the tax payer with a vast majority of the taxation functionality. It will help the tax payer if the delta process of upload of the invoice/ return and reconciliation of the same is also provided by the GSP. Whereas in case of GST portal, another set of exercise manually or otherwise will have to be done to upload the invoice data or the return. The interface and features exposed by GST portal will be uniform for all taxpayers and might be basic in form and design. On the other hand GSPs are expected to have richer interfaces and features required by specific group (large taxpayers with completely automated financial system, SME with semi-automated system and small size with no system) of taxpayers. Also, by sheer size the GST portal will not be as nimble as that provided by a GSP.

GSPs can come up with application to provide GST filing facility in existing software or develop end-to-end solution for SME and small taxpayer to manage their sale/purchase and GST filing e.g. an offline utility like spread sheet, which taxpayer can fill their invoice details and then upload on GST portal for processing. Similarly, for Tax Consultants (TC), GSPs can provide dashboard to display list of his/her all clients and clicking on a particular client can give TC the snapshot of the actions/ pending actions by client.

GSPs can provide innovative/value added features, which would distinguish them with other GSPs in the market.

Q 12. What will be the role of taxpayers w.r.t GST Common Portal being developed and maintained by GSTN?

Ans. Some of the functions which will be performed by taxpayers through GSTN are:
